4-STATE FRUIT MEET BEGINS THIS MORNING

The Adams County Fruitgrowers Association is playing host today and Wednesday to fruitmen and their wives from four states meeting at the South Mountain Fairgrounds, Arendtsville. The four-state meeting is sponsored by the state Horticultural Society of Pennsylvania.

State horticultural societies of Maryland, Virginia and West Virginia will be represented. Registration began this morning at 11 o'clock. This afternoon, in addition to visiting the 26 displays of orchard equipment and supplies and spray materials at the fairgrounds, visitors were given a choice of guided tours of Adams County orchards or the Gettysburg Battlefield.

Mr. and Mrs. Ralph Tyson, Idaville, are playing hosts to visiting ladies at an open house sponsored by the Women's Auxiliary of the Pennsylvania Horticultural Society.

Program Tonight

Following a chicken barbecue which will be served from 6 to 7 p.m., a program of speakers who will discuss the fruit industry is scheduled. John U. Ruef, acting secretary of the state society, is master of ceremonies for the event, scheduled for 8 p.m.

The Biglerville High School dance band will provide music and Pennsylvania fruit queens will be introduced.

A crop, products and industry survey will be given by Fred W. Burrows, executive vice president of the International Apple Association, and Truman Nold and Everette Severe, of the National Apple Institute.

Tour Wednesday

Wednesday's program includes a tour at 9:15 a.m. of the experimental blocks at the Arendtsville

FARMING TALK PRESENTED TO KIWANIS CLUB

Members of the Gettysburg Kiwanis Club Monday evening at their weekly dinner meeting heard a talk on "Modern American Farming" and received an invitation to attend the "Farm City Day" events planned at the Paul Waybright farm, Gettysburg R. 1, on Thursday, August 6, from 1 to 8 p.m.

The speaker Tuesday evening was Lyndale R. Brandon, a member of the Gettysburg Young Farmers, who told the clubmen that modern farming is a "highly skilled trade." He pointed out that "machinery and automation have come to the farm very extensively" and said that higher production costs make increased volume of production the only means to

Vice President William Ditzler was in charge of the club meeting which was held at Bren-Da's restaurant, Fairfield Rd., beginning at 6:30 o'clock.

Choose Delegates

A two-year perfect attendance tab was awarded to Robert Geigley.

At a meeting of the board of directors which followed the club session, President Robert McCoy presided and these delegates were named to attend the Pennsylvania district Kiwanians' convention at Erie from September 27 through

20,000 Reds Cheer Nixon

NOVOSIBIRSK, Soviet Union (AP)—About 20,000 friendly, applauding Russians gave Vice President Richard M. Nixon the warmest welcome of his Soviet tour when he arrived in this Siberian city today for a goodwill visit.

Nixon arrived amid solid signs he was considering more and more favorably a recommendation that President Eisenhower invite Premier Nikita Khrushchev to the United States for a visit.

Persons close to Nixon were understood to be making some impact on him with arguments that Khrushchev must see for himself the strength and vigor of the American economy and the unity of its people to rid him of misconceptions.

Thousands of men and women lined the streets here, in some places four and five deep, to wave greetings to Nixon and his wife.

Communist leaders of this developing Siberian industrial area rode through town with the Nixons.

MRS. HERMAN, COUNTYNATIVE, PASSES AWAY

Mrs. Mary Benner Herman, Harrisburg, died Monday in the Harrisburg Hospital. She was the widow of the Rev. Dr. Stewart Winfield Herman, who was pastor of the Zion Lutheran Church, Harrisburg, for 40 years.

Mrs. Herman was born in Fairfield and was reared in Gettysburg. A graduate of Irving College, she was married and moved to Harrisburg in 1908. A member of Zion Lutheran Church, she was active as a teacher of the Young People's Class, a member of the Literary Circle and of the United Lutheran Church Women. She also presided at the Constituting Convention of the Women's Missionary Society which is now the United Lutheran Church Women of the Eastern Pennsylvania Synod.

Other Activities

Her other activities included the YWCA, the advisory board of the YMCA, the Civic Club, which she recently served as vice president; Historical Society of Dauphin County, Author's Club, Harrisburg Hospital Auxiliary, the Auxiliary of the Lutheran Homes and the Auxiliary of Gettysburg Theological Seminary.

She is survived by three children, Mrs. Frank Broedel of Silver Spring, Md.; Mrs. Carl F. Chronister of Paxtang and the Rev. Dr. Stewart Winfield Herman Jr., of Upper Montclair, N. J.

Funeral arrangements will be announced later.

H. C. LACKNER PASSES AWAY

Harry C. Lackner Jr., 69, of 121 York St., died this morning at 9:45 o'clock at the Warner Hospital where he had been a patient for the last three days.

A native of Philadelphia, he was born December 27, 1889, a son of the late H. C. and Minnie (Long) Lackner.

For a period of time he operated a bakery shop here, and later was employed at Mechanicsburg. Due to ill health, he had been retired for some years.

Surviving are his wife, the former Bruce Waybright; a son, Charles Lackner, New York City; two daughters; Mrs. Ray Flickinger, Arendtsville, and Miss Dorothy Lackner, at home. Also surviving are two grandchildren.

A veteran of World War 1, he was a member of the American Legion. He was a member of the Gettysburg Presbyterian Church and of the Good Samaritan Lodge 336, Free and Accepted Masons.

Funeral arrangements, being made through the Peters Funeral Home, Carlisle St., are incomplete.

DEEDS RECORDED

Deeds have been filed in the office of the register and recorder as follows:

Francis Samuel and Helen Irene Dayhoff, Gettysburg R. 3, to Thomas and Helen Carter, Waldorf, Md., R. 2, property in Hamiltonban Twp., $9,000.

Loretta C. and Clarence E. Heyser, Butler Twp., to Claude E. and Viola C. Fissel, Biglerville, tract in Butler Twp., $250.

SCOUT OFFICE CLOSES

The Adams County Girl Scout office in the First National Bank building will be closed until September 2. Troops requiring insurance may call Mrs. M. Hardy Nichols, 538-W, or Mrs. Jay Brown, 1057-Z.

General Willard S. Paul, president of Gettysburg College, considerably improved, has returned home from the York Hospital.

Quigley Is Named To New Committee

Representative James M. Quigley (D-Pa.) today announced his appointment to the special subcommittee on Patents of the Committee on Science and Astronautics. The special subcommittee was established to review the patent provisions of the National Aeronautics and Space Act of 1958 and will made recommendations to the full committee as to the need of additional legislation in the field.

Other members of the subcommittee are Reps. Erwin Mitchell (D-Ga.) chairman, Emilo Q. Daddario (D-Conn.), David S. King (D-Utah), James G. Fulton (R-Pa.), J. Edgar Chenoweth (R-Col.) and Perkins Bass (R-N.H.).

CLASSIC CAR CARAVAN TO BE HERE IN AUG.

Meories of the "Twenties And Thirties" will be revived when the Classic Car Club of America's 7th Annual Caravan passes through Gettysburg during the week of August 16. The caravan, which starts from Harrisburg, will feature old Duesenbergs, Stutzes, Marmons and Rolls Royces. The tour, which will cover 900 miles, will end in Asheville, N. C.

Club members from a 14-state area, from as far west as Iowa, will join the caravan on its six-state trip. Mobil Oil Company, which has cooperated with the club for the past three years, again will play host to the members, supplying Mobilgas and Mobiloil.

Founded In 1952

The Classic Car Club of America was founded in 1952 for people interested in restoring and maintaining certain of the finer luxury cars, both American and foreign, built during the period 1925 to 1941. These include Duesenberg, Marmon, Stutz, Packard, Cadillac, Lincoln, Kissel Dupont, Ruxton, Cord, Auburn, Lincoln Continental, Rolls Royce, Minerva, Bugatti, Bentley and Mercedes-Benz.

"These classics," according to Robert E. Turnquist, the club's national president, "are fine cars built during the automobile's Golden Era in which the elements of good design, engineering perfection and good taste were combined in a luxurious and harmonious whole."

The Classic Car Club has nearly 2,000 members in the United States and overseas.

The annual caravan is one of three national club events, the others being the National Gold Cup Grand Classic, which is held simultaneously in the East, Midwest and Far West; and the winter membership meeting held each January in the Pocono Mountains.

REC BOARD MAY REFUSE SECOND JET

Anybody want a jet plane?

That was the question the Gettysburg Recreation Association asked at its meeting Monday night at Gettysburg High School when it learned that an Air Force jet plane is to be made available to the town in about two weeks.

Having financial difficulties with the Navy jet plane which arrived at Recreation Park last week, the board may have to decline the gift.

Chairman Kenneth Dengler explained the association's difficulties surrounding the gift of the first plane, including dealings with the Navy and Air Force, the intercession by Congressman Quigley and finally the "about face" decision of a local service club to finance the approximately $300 expense involved in bringing the plane here and setting it up. The board managed to find sufficient funds to assume the expense but does not have funds to finance another plane.

Place Cradle, Stairway

The board plans to place a "cradle" and stairway at the plane site so that youngsters can climb inside. The tires will be deflated for safety reasons.

The board expressed its appreciation to local residents who helped bring the plane here and set it up. They include: Russell Kane, Ernest Simpson, Richard Warren, Leo McDermitt, Arthur Becvar and others.

Reports by Recreation Director Chester Hilger showed attendance at Park activities during July totaled 9,581. Attendance at the Tot Lots totaled 1,453 and at the older 5,212.

The treasurer's report showed expenditures of $4,831.22 leaving a balance of $6,001.92 for the remainder of the year's program.

The playground program, it was reported, is scheduled to be completed next month. August 7 will be the closing date for the Tot Lots and August 14 for the older children.

To Open Bids On School Work Aug. 4

The special meeting of the Joint School Committee of the Gettysburg Joint School District which had been called for this evening has been changed to next Tuesday evening in order to give potential bidders more time to prepare their offers.

Bids will be open August 4 at 7:30 p.m. for the changes to be made at the high school building and at Meade School to bring those buildings into compliance with new state Department of Labor and Industry regulations. The Joint School committee was given authority by the school board at its July meeting to take action so that the bid opening would not have to await the August school board meeting on August 15.

Another matter referred to the Joint School committee for study and a report later to the joint School committee for study and a report late to the joint board is a proposal that the change to a merged school district be submitted to the voters of the jointure for a decision.

DEMOCRATIC WOMEN GUESTS OF MRS. RICE

Members of the Democratic Federation of Women's Club of Adams County were the guests Monday night at the summer home of Mrs. John S. Rice, Caledonia.

The meeting opened with a salute to the flag and an invocation read by Mrs. Rice. A brief business meeting followed, at which Mrs. Sewell Kapp, president, presided. It was announced that Mrs. Grace Sloan, president of the state federation, will be in charge of Democratic Women's Day to be held October 13. The day is an annual event commemorating the 1919 admission of women to the executive committee of the Democratic national committee. The annual recognition was begun in 1939 at the suggestion of Mrs. Eleanor Roosevelt.

Several projects were suggested for the day. One project is "Teas for TV." In this project 10 Democratic women leaders would be invited to a tea by women who organize projects in the community; each woman would contribute one dollar and invite 10 other women to teas. The net profit from the teas would be $110.

Other possible projects would be the sale of a television or furs, card parties and rummage sales.

Seek Party Funds

The purpose of the projects is to net money for the party and create enthusiasm among women. The 1959 Women's Day will close December 31. The funds raised through it would go to the state and national party and to the federation.

The Adams County club has not paid its 1958 contribution to Women's Day so it was decided that it be included in its 1959 contribution. Mrs. Kathryn Vanderslice will be the chairman of the 1959 Women's Day.

The treasurer reported a balance of $528.25. Four new members were enrolled bringing the club membership to 111.

Special guests at the meeting were: Mrs. Sloan; Mrs. Louise

Allies To Stay In Berlin Until Germany Is United

By JOHN M. HIGHTOWER

GENEVA (AP)— The Western Allies today were reported determined to remain in West Berlin as long as Germany remains divided.

Diplomatic informants said a revised Western proposal being drawn up for the Big Four foreign ministers' conference would demand once again that the Soviets pledge not to take unilateral action against West Berlin at any time in the future.

Over the weekend British Foreign Secretary Selwyn Lloyd had been reported pressuring his allies to accept a Soviet pledge for a limited time. But Lloyd was said today to have agreed with U.S. Secretary of State Christian A. Herter that Western policy on the issue of protection for West Berlin should stand unchanged.

Rewrite Proposals

Both the Soviet Union and the Western powers were rewriting their rival proposals for breaking the Berlin crisis. Each side obviously hoped the other would come up with new concessions.

The Big Four ministers planned no meeting today. But the three Western ministers met and were reported to have sought some new formula for resuming stalled East-West disarmament negotiations.

Diplomatic sources said this problem probably would be taken up with Soviet Foreign Minister Andrei A. Gromyko before the Geneva Conference ends. Gromyko is said to have indicated an interest in the disarmament question in private talks.

Plan Larger Group

There have been no disarmament negotiations since 1957 when the Soviet Union denounced the U.N. Disarmament subcommittee on the grounds that it was one-sided. It was composed of the United States, Britain, France, Canada and the Soviet Union.

Some Western diplomats are now thinking in terms of a larger group made up of three members each from the East and the West with a neutral chairman.

The Big Four nonference on Germany may be entering its final phase. If neither side gives ground on the Berlin issue the conference may end by the middle of next week or sooner.

Two cadets from Gettysburg, Keith B. Wolff, 20, and Roland H. Schriver, 21, will complete six weeks of training at the Reserve Officer Training Corps summer camp at Fort George G. Meade, Md., Friday.

Wolff, son of Mr. and Mrs. Burton D. Wolff, R. 3, is a student at Gettysburg College and a member of Tau Kappa Epsilon fraternity. He is a 1956 graduate of Upper Adams Joint High School, Biglerville.

Schriver, son of Mr. and Mrs. Elmer H. Schriver, R. 3, is a student at Pennsylvania State University and a member of Kappa Sigma and Delta Sigma Pi fraternities. He is a 1956 graduate of Gettysburg High School.

CONSIDER NEW CD FIRE SIREN PLAN IN AREA

Can a "relatively inexpensive" system be worked out to provide a 24-hour a day force to sound the alarm in case of Civil Defense emergency, fire, or other catastrophe or need?

That is the question to be discussed Tuesday evening at a meeting to be held in the court house at the call of Raymond Menges, president of the Gettysburg Fire Department, and William G. Weaver, county civil defense director.

The county commissioners, members of the borough council, civil defense leaders and fire company officials will be among those present to discuss the possibility of a setup by which the central radio station at the house here will be manned 24 hours a day.

If such a setup can be arranged relatively inexpensively then the following results may be obtained:

Sound Early Alarm

The alarm for any Civil Defense emergency could go out immediately — there would be no need to awaken CD heads in the middle of the night to go the central station to sound the alarm. At present CD officials are called by phone.

Monitors are being placed in fire engine houses throughout the county. In the near future a "quick call" system will be installed at the local engine house to send out a signal by radio which will, through the monitors, sound the sirens of the various fire companies. Thus one man would be awakened. But if the central station is staffed 24 hours a day those few minutes will not be lost. The new system would also eliminate the present method of sounding fire alarms.

When dial telephone service is installed fire companies can call the central station and its siren can be sounded.

RESIGNS AT HANOVER

Wilson A. Streightiff, East Berlin, tendered his resignation Monday evening as a member of the business education department of Hanover High School to accept a position as superintendent of the Oelrichs Independent School District, South Dakota. Streightiff has been a member of the Hanover faculty six years.

MARRIAGE LICENSE

A marriage license has been issued in the court house to Richard William Tosten, son of Mr. and Mrs. Ira I. Tosten, East Berlin R. 2, and Doris Jane Bream, daughter of Mr. and Mrs. Raymond R. Bream, Gardners R. 1.

STATE POLICY ON 11 COUNTY BRIDGES GIVEN

The Pennsylvania Department of Highways announced today the conditions under which wooden covered bridges now on the state road system will be retained. The policy statement was made by Highways Secretary Park H. Martin.

The statement applies to the 11 wooden covered bridges in Adams County which are maintained by the state. Additional covered bridges here are under county care and have been steadily replaced in recent years.

The statement of policy from Harrisburg follows:

"Considerations upon which a retention of the structure, include safety, traffic needs, flood hazards and economic aspects. Many of the bridges are located on school bus routes, a factor which is given weight in the determinations.

Like Other Bridges

"The policy states that covered bridges are legally in the same category as other structures on the state system and will be treated in the same manner.

"Where a covered bridge is located on a section of highway to be relocated, the old section of the highway, including the covered bridge, reverts to the political subdivision and becomes its responsibility for future maintenance and reconstruction.

"If in the course of construction it is necessary to destroy or remove a covered bridge because the new section of highway is on the same alignment, responsibility for replacing the structure rests with the department. In such cases the covered bridge

Civil War Groups Meet This Week

Two groups considering observance of historical events will meet at the court house Wednesday and Thursday evenings.

Wednesday evening at 8 o'clock the committee to promote observance in the county of the 100th anniversary of the Civil War will meet in the commissioners office.

Arthur Weaner, temporary chairman for the county Civil War Centennial committee, said that officers will be elected and various sub-committees will be named.

Thursday evening at 8 o'clock a committee will meet in the commissioners' office to plan the observance of the 100th anniversary of the court house, which was completed in August of 1859.

DRIVER CHARGED

An information has been filed by police before Justice of the Peace William Y. Naill Jr., Hanover, charging Jane H. Brashears, 33, of 8 Lincolnway East, New Oxford, with a signal light violation and speeding.

HUSBAND JAILED

Roy Harris, 47, Iron Springs, was arrested by Constable Fred Swisher Monday night and placed in the county jail for a hearing before Justice of the Peace Robert Snyder on charges of surety of the peace and nonsupport brought against Harris by his wife.

BOLT WITH BOLT

Two boys were reported to have stolen a bolt of "black and white" material from the Murphy Store and to have "sneaked out," leaving in an automobile. Borough police are investigating the incident which occurred Monday afternoon.

THIEF AWAITS POLICE IN CAR HE HAD TAKEN

An investigation by state police Monday night at 11 o'clock of a reportedly "abandoned" car, near Twin Bridges on the Harrisburg Rd., led to uncovering the theft of the auto and money by a Philadelphia gas station attendant.

Monday night residents of the Twin Bridges area reported a car had been parked along the Gettysburg-Harrisburg Rd. since Sunday and they believed it abandoned.

The night patrol of the local state police was asked to investigate.

Find Car And Thief

When they reached the "abandoned car," the officers found a man in it who said he was Carl E. Marrow, 52, Philadelphia.

Marrow told police this story:

He was employed from 11 o'clock at night to 7 o'clock in the morning at the Jack Markus Tydol station in Philadelphia, Marrow said.

At 5 o'clock Saturday morning he took a car owned by William H. Knowles, Berwyn, Pa., which was at the service station for servicing. He also took about $100 from the cash register and left the station.

Waited For Police

After driving as far as Twin Bridges he stopped. He sat in the car, or walked about the area, until police came upon him Monday night.

He told police he had not eaten for two days. The money he had taken from the station was still in his pocket and he turned it over to the officers.

Police placed him in the Adams County jail on a charge of larceny of an auto pending arrival of Philadelphia authorities.

ROTARY TOLD OF RECREATION PROGRAM HERE

The program offered by the Gettysburg Recreation Association was outlined Monday evening by Recreation Director Chester Hilger at the meeting of Rotary at the YWCA.

Stating that "we feel an excellent recreation program has been developed at Gettysburg," Hilger added, "With increased support an even better program can be offered. We have extended our program each year to provide more activities for more people and the response has been very good. We are now seeking to provide more activities for the girls and young women of our community, and we have made some advances in this field during the last year.

"We have been able to provide much equipment for our playgrounds, but much more is needed. Each year we hope to add more and through the support of interested groups and individuals much more can be added more quickly."

Two New Members

President John McPhail announced the election of two new members to Rotary: C. William Harbaugh, advertising and promotion manager of Knouse Foods Cooperative, and T. N. Washburn, general manager of Aero Oil Co.

Members were told that the program August 10 will include a dinner at Graeffenburg Inn at 6 p.m. followed by attendance at a Totem Pole Playhouse production. Members may bring guests to the dinner at the inn.

Picnic Aug. 17

Members were asked to notify Clark Smith before August 5 of their intention to attend the Graeffenburg Inn dinner, plus

Says Missile Failures Are Not Alarming

WASHINGTON (AP) — Lt. Gen. Bernard A. Schriever, Air Force missile chief, told House investigators today there is no cause for alarm over recent repeated failures in the long range Atlas missile.

Schriever expressed confidence the big intercontinental missile will be ready for combat use by approximately September 1—some 60 days later than the original target date.

Schriever, head of the Air Research and Development Command, was the first witness in a House Space Committee inquiry into what has gone wrong in the Atlas program.

STOCK UPTURN IS LED BY OILS

NEW YORK (AP)—Oil shares paced a mild upturn in stock market prices early this afternoon. Trading moved at a moderate tempo.

Most key issues pushed fractions to a point or so higher. A smattering of losers emerged on the list.

The leading oils generally picked up at least a point as many companies in the industry turned in sharply improved first half earnings reports.

Steels, motors, metals, chemicals, rails, tobaccos and drugs generally posted advances. A few rubbers and selected issues slipped.

The market started out fractionally higher and then steadily added to its gains with the oils leading the way.

Gulf Oil scored the smartest gain among the rails, 2 points.

Mrs. Sloan spoke on Women's Day. She pointed out that each club is have its own day. There will also be a state day in Philadelphia with Mrs. Roosevelt as the speaker. She also explained the neww bylaws. She urged officers of the clubs to assume their positions in January and presidents to retain their position for two years. Also each club is to be guided by primary elections and there is to be no endorsement of a candidate by a club before primary elections.

Mrs. Rice, chairman of education and welfare, discussed the Florence Dornblazer memorial scholarship set up to honor Mrs. Dornblazer a founder of the federation. She left a bequest of $1,000 and a scholarship of $850 has been set up. The sum is less then the bequest because $150 had to paid in inheritance tax. Conditions for the scholarship have not been set up, Mrs. Rice said.

Mrs. Bentzel announced that federation pins, earrings and charms are still available. Mrs. Sipe announced a new scrapbook contest to encourage interest in the club. There will also be another contest of club programs and yearbooks.

The women were urged by Mrs. Wise, district vice chairman of registration, to register all unregistered Democrats. She also announced that a drive will begin after registration to increase subscriptions to the Democratic Digest.

Mrs. John announced that the fall project will a meeting held here. It will be one of nine meetings held throughout the state. There are 52 women candidates for office, the largest number recorded. Mrs. Lingg is a candidate for Adams County auditor. There will be a local elections school with a panel in the morning, luncheon and round table discussion to be held September 23. The campaign will open September 9 in Scranton.

John S. Rice, state chairman, made a brief appearance and urged the ladies to support the Democratic state campaign.

On Preakness day in 1931, jockey Joe Guerra rode five winners in six races.

MISS RANG IS WED SATURDAY TO L. DILLMAN

Miss Emma Jane Rang, daughter of Mr. and Mrs. Joseph H. Rang, Littlestown R. 1, and Leon G. Dillman, son of Mr. and Mrs. Leo A. Dillman, Gettysburg R. 2, were united in marriage on Saturday morning at 11 o'clock in St. Aloysius Catholic Church, Littlestown. The Rev. William A. Boyle, pastor, officiated at the double ring ceremony and celebrated the nuptial mass.

Mrs. Thomas French, church organist, presided at the console throughout the mass and accompanied the soloist, Stewart N. Long, Littlestown. The church altars were decorated with bouquets of assorted flowers.

The bride, who was given in marriage by her father, was attired in a floor-length gown of Chantilly lace and tulle over bridal satin. The fitted bodice was fashioned with a Queen Anne collar and long sleeves that tapered to a point over the hands. The bouffant skirt of lace and tulle had a ruffled underskirt and was worn over a hoop. Her finger-tip length veil of pure silk illusion was attached to a tiara of lace trimmed with sequins and seed pearls. She carried a colonial bouquet of yellow carnations, centered with an arrangement of white rosebuds.

In Wedding Party

Mrs. William D. Staub, 6 Commerce St., Hanover, served as matron-of-honor for her sister. She wore a pink ballerina length gown of chiffon and net over taffeta with a matching veil attached to a small velvet headpiece. She carried a colonial bouquet of pink carnations and rosebuds.

Miss Bonita Jeanne Weaver, Hanover, niece of the bride, was flower girl. She wore a pink nylon dress with matching headband of flowers and carried a basket of pink carnations and rosebuds.

The bridegroom chose for his best man, his brother, Robert L. Dillman, Gettysburg. Serving as ushers were Charles Hensel, Hanover, cousin of the groom, and Joseph C. Staub, Gettysburg, friend of the groom. Donald Joseph Staub, Hanover, nephew of the bride, was ring bearer.

At the conclusion of the mass, the bride placed a nosegay of flowers on the altar of the Blessed Virgin Mary.

Reception For 100

Immediately following the ceremony, a reception was held at the Utz pavilion, Hanover. Approximately 100 wedding guests were in attendance. The couple then left on a wedding trip of unannounced destination. For traveling, the bride chose a pale blue sheath dress with white accessories and a white rosebud corsage. Upon their return, the newlyweds will reside at 106 Carlisle St., Gettysburg.

Mrs. Dillman is a 1956 graduate of Delone Catholic High School, McSherrystown, and is employed as a secretary at the Veil Furniture Corporation, Hanover.

Mr. Dillman is a 1950 graduate of Delone Catholic High School; served four years with the U.S. Air Force, and was graduated in 1959 from Mt. St. Mary's College, Emmitsburg, where he received the degree of Bachelor of Science. He is presently employed at Letterkenny, Chambersburg, and will attend the University of Delaware in September.

The three local processors, Duffy-Mott, Knouse and Musselman, have an exhibit of their products at the fairgrounds in connection with the fruit meeting.

Four Perish In Tenement Blaze

NEW YORK (AP)—Four adults and a baby girl, all Negroes, perished today as fire swept through two Brooklyn tenement houses. Two of the dead were women and two men.

Four others jumped from the third floor. They were reported in serious condition at a hospital.

Three policemen were injured fighting the fire.

The fire broke out shortly after 3 a.m. It was reported under control about two hours later.

Police said the fire was apparently of suspicious origin.

The neighborhood is a tenement district, police said, predominantly inhabited by Negro and Puerto Rican families.

House Collapses From Vibrations

DENVER (AP) — Things really went to pieces Monday for Phyllis Hickman, who was doing chores on the second floor of her home when the north wall of the 50-year-old brick structure collapsed.

Mrs. Hickman, 46, fled the trembling home through a broken window. Minutes later, the house collapsed.

Neighbors said a heavy truck which caused severe vibrations on a nearby street passed just before the incident.

STRIKE LOOMS IN ALUMINUM

NEW YORK (AP) — A major strike in the aluminum industry was threatened today as negotiations in the two-week-old steel strike remained deadlocked.

David J. McDonald, president of the United Steelworkers of America, said he expected no agreement in the aluminum industry before contracts with major firms expire at midnight Friday.

McDonald, whose union represents workers in aluminum as well as steel, said the same "no contract, no work" policy covers both industries.

The copper industry also faced a possible strike threat.

Officials of the Mine, Mill and Smelter Workers Union were reported considering a strike against the nation's copper plants next month. The union's contracts expired June 30, but its members are working while negotiations continue.

Steel industry and union representatives met jointly Monday for the first time since the nationwide steel strike began.

Steel Strike At-A-Glance

By THE ASSOCIATED PRESS

IDLE — About 500,000 United Steelworkers on strike against the basic steel industry for the 14th day. Also approximately 78,000 employes in allied industries.

NEGOTIATIONS — Federal mediators plan separate talks with industry and union representatives today. After a joint meeting Monday, Federal Mediation Chief Joseph F. Finnegan said he saw no substantial change in either side's position.

LOSSES — Industry loses about 43 million dollars worth of business each day of the strike; striking steelworkers lose about 10 million a day in wages.

Issues — Union seeks a 15c-an-hour wage hike plus fringe benefits. Industry balks on grounds higher labor costs would force steel prices upward and force inflation. The union contends industry can absorb higher labor costs without hiking prices.

Weddings

Blouse—Fuhrman

Miss Barbara M. Fuhrman, Abbottstown R. 1, daughter of Mrs. Jessie Myers, Abbottstown R. 1, and Edward Fuhrman, 54 South St., Hanover, was married to Larry E. Blouse, son of Mr. and Mrs. Charles E. Blouse, 28 Charles St., Hanover, Saturday at 2 p.m. at St. Mary's Lutheran Church, Silver Run, Md., in a double-ring ceremony conducted by the Rev. Lloyd H. Seiler, pastor.

Matron of honor was Mrs. Annette Eckard, Hanover. Garry Blouse, Hanover R. 3, was best man.

The couple will reside at 487 High St., Hanover. The bride attended Gettysburg High School and is employed by H. O. Toor Co. Her husband is employed at Masemer's Bakery in Hanover.

Becker—Deatrick

Miss Georgia A. Deatrick, daughter of Mr. and Mrs. George M. Deatrick Sr., 411 Delone Ave., McSherrystown, was married to Private John H. Becker, son of Mr. and Mrs. Richard E. Becker Sr., 6½ Orchard St., Hanover, Saturday at 6 p.m. at St. Paul's Lutheran Church, McSherrystown. The Rev. Dr. George E. Bowersox conducted the double-ring ceremony. The organist was Mrs. Richard E. Becker Jr.

The maid of honor was Miss Gloria Deatrick, sister of the bride. The bride's sister, Miss Grace Deatrick, served as bridesmaid.

Richard E. Becker Jr., Hanover R. 2, served as best man for his brother.

A reception at the home of the bride's parents was attended by about 60 guests.

The bride is a 1959 graduate of Eichelberger Senior High School in Hanover and is employed at the Middleburg sewing factory. The bridegroom expects to leave soon for Fort Bliss, Tex., where he is stationed with the U.S. Army. Mrs. Becker will make her temporary home with her parents.

WAIVES HEARING

William L. Mummert, 21, New Oxford R. 1, waived a hearing before Justice of the Peace George A. Lippy, Hanover, Saturday night and posted $500 bail for appearance in August court. He is charged with operating a vehicle while his license was suspended. Hanover police laid the charge Saturday.

SAY APATHY, IMCOMPETENCE ELEMENTS IN MINE DISASTER

HARRISBURG (AP) — Law enforcement officials are studying a committee report which cites "apathy and incompetence" as among factors which caused a Luzerne County mining disaster last January.

The 10-member committee of state senators and representatives submitted its 107-page report to Gov. Lawrence and the Legislature Monday. It also sent copies to the State Justice Department and to the Luzerne County district Attorney for possible follow-up action.

Atty. Gen. Anne X. Alpern immediately assigned her deputy, Leon Ehrling, to study the document. The report was prepared after a five-month investigation of the tragedy. Twelve miners employed at the Knox Coal Co. mine at Port Griffith, near Pittston, were lost when the Susquehanna River flooded the mine.

No Names

The committee's report did not name any person or party as being responsible for the Susquehanno breaking into the Knox firm's river slope operation.

But it offered these opinions regarding factors which it said contributed to the disaster:

"Incompetence on the part of the supervisory employes of the lesee (Knox Coal Co.)

Lack Of Engineers

"Indifference and apathy on the part of the lessor (Pennsylvania Coal Co.) concerning the mode of extracting coal.

"An incentive pay system resulting in the miners and other incentive employes conducting the mining without sufficient regard for their own safety.

"Owners of the lessee uniformed and uninterested in the means of extracting coal.

"A lack of qualified professional mining engineers and-or consultants on the staffs of the lessor or the lessee."

STATE POLICY

(Continued From Page 1)

will be replaced with a new structure.

"Covered bridges which constitute a flood hazard, endanger the new highway or bridge may be removed, the policy states.

"Where a historical society or local group express an interest in preserving a covered bridge on the state system, the department will advise the group as to its determination either that it will be removed or revert to the political subdivision in which the bridge is located.

"If a political subdivision or an interested group is unwilling or unable at the required time to relocate the bridge at their own cost and expense, the deparment will remove or demolish the structure.

"Covered bridges retained on the state system shall receive appropriate maintenance, designed too meet present traffic and safety requirements. Unwarranted modification of a structural framing and architectural appearance will be avoided.

"District offices of the department will advise the Pennsylvania State Historical and Museum Commission of any plans for replacement of a covered bridge. The commission will also be advised if any interest has been shown by local group for preserving the structure."

"WAY TO HAPPINESS"

The way to happiness is lined . . . with many rocks and rills . . . it takes a wealth of faith and hope . . . to scale its many hills . . . there are pitfalls to hamper you . . . and varied detours too . . . and there are often cloudy skies . . . that blur the brightest view . . . the way to happiness is long . . . no shortcuts can be found . . . but as you journey you will find . . . temptation all around . . . ask anyone who wears a smile . . . and I'm sure they'll agree . . . that it takes years of sweat and blood . . . to find the golden key . . . work hard, have patience, love mankind . . . and perhaps someday . . . you will be one of the few . . . who truly found the way.

Les Brown Will Play At Hershey

Les Brown and his "Band Of Renown," together with Butch Stone, Stumpy Brown and newly-signed vocalist Susan Maro, has been booked for Hershey Park's Starlight ballroom Saturday. The band is currently on its annual summer road trip, having just completed its eleventh year with comedian Bob Hope.

Les Brown's band claims it has flown more miles than any other organized band in the history of the business and was the first aggregation of its kind to use jet transportation when it flew to Hollywood March 13 to appear on Bob Hope's TV show.

Organized in 1940, the "Band Of Renown" has moved steadily forward. The name Les Brown has become a symbol of good, danceable music. His first place in Downbeat and Metronome go on year after year. Among his many compositions is the famous "Sentimental Journey" which has become a "standard."

Free entertainment will be provided in the park bandshell Sunday by the New Cumberland American Legion Band. Concert times are 2-4 and 7-9 p.m.

Cites Loophole In Pa. Sales Tax

HARRISBURG (AP)—A Democratic Senator says the Commonwealth is suffering a "fantastic loss" because of what he called a loophole in the state sales tax.

Sen. Paul W. Mahady (Westmoreland) referred Monday, to a provision that made home improvement materials subject to the tax on the wholesale cost, instead of the retail price, when installed by the seller.

When the seller does not install the material, he said, the sales tax applies to theffull purchase price.

If this is changed so that the sales tax would apply to the full purchase price in all cases, Mahady said, "I assume it would be almost enough money to meet the demands the schools are making on us."

Seeking Sales Jobs For Harlem Negroes

NEW YORK (AP)—An NAACP drive to get Negro liquor salesmen a larger share of the Harlem market has touched off allegations that this may constitute discrimination against whites.

The Anti-Defamation League of B'nai B'rith, a national Jewish organization, said Monday it was investigating such allegations.

The league said the problem was extremely delicate, because of the long and close association the groups have had in fighting discrimination against both Negroes and Jews.

The campaign was begun by the New York branch of the National Assn. for the Advancement of Colored People. The national organization was not consulted in advance. So far it has taken no stand on the issue.

PALMERTON, Pa. (AP)—A new contract providing an eight-cent hourly wage increase has ended a short strike of 2,200 United Steelworkers against the New Jersey Zinc Co.

The strike began at midnight Monday when the old contract expired. Later in the day, with the aid of Federal Mediator Walter C. Moser, a new agreement was worked out.

FINAL UNION VESPERS HELD

The final worship in the summer series of outdoor union vesper services was held on Sunday evening in the Crouse Park pavilion. The order of service was in charge of the Rev. William C. Karns, pastor of St. John's Lutheran Church, who delivered the sermon on the subject "While the Disciples Sleep." The Rev. G. Howard Koons, pastor of Christ United Church of Christ, read the scripture and offered prayer. A selection was sung by St. John's Men's Brotherhood quartet, composed of Glenn E. Unger, Ronald W. Strevig, Edgar E. Yealy and Albert Starner. The quartet was accompanied on the organ by Mrs. Jay D. Basehoar, who was organist for the congregational singing. The service concluded with the benediction by the Rev. Mr. Karns. The Union services are arranged and sponsored by the Littlestown Ministerium, and the next series of vespers will be held in the fall.

Seventy-four persons were in attendance at the annual picnic for members of the Tuck-a-Bache Class of St. John's Lutheran Church and their families, held on Sunday afternoon at Raubenstine's Pool, Hanover. Guests present were Wilbur E. Mackley, class teacher, and his family and Mr. and Mrs. Oliver Erb. Activities included group games, swimming and horseshoe pitching. A picnic supper was enjoyed. The regular monthly meeting of the class will be held this evening at 8 o'clock at the home of Mrs. Paul E. King, near town.

A brief business meeting of the Ladies' Aid Society of St. Luke's Union Church, near White Hall, will be held at the church on Wednesday at 8 p.m. Plans will be made to serve roast chicken and ham suppers to the public at the annual picnic on Saturday, August 8, in the church grove.

Floor Powders At Russ Exhibit

MOSCOW (AP) — The harried director of the U.S. exhibition in Moscow made ready today to lay a coating of asphalt over 30,000 square feet of concrete floor being ground to powder by thousands of Russian boots.

Harold C. McClellan, general director of the exhibit, said it might be a good idea if some U.S. firm agreed to ship in crew and material to install a durable flooring.

The dust storm is blamed on the poor quality of the concrete floor the Soviets laid.

The floor beneath the great gold dome became a dust bowl after an estimated 70,000 visitors trudged past the exhibits Sunday. Since then cleaning crews have been trying with only partial success to keep down the dust.

BLINDED BY BEAR

JUNEAU, Alaska (AP) — A teen-aged sharpshooter fired at a charging bear Monday, but the animal knocked his rifle aside and clawed him so severely a doctor said he would be blind.

Lee Hagmeier, 17, of Auke Bay, Alaska, was reported in fair condition at a Juneau hospital after two hours of surgery.

Fairfield Lions League

The scrap for first place in the Fairfield Lions League tightened considerably Monday evening when the league-leading Orrtanna outfit was blanked at Fairfield 3-0.

Fairfield collected but five hits off Shuyler, one being a triple by Sanders and another a double by Lowe. Weikert of Fairfield gave up just four singles, two by his mound opponent, Shuyler.

The Amvets remained in a tie for second place with Fairfield by lacing Cashtown 11-1 on the latter's field, an eight-run fifth inning featuring the game.

Bigham, who pounded two triples for the Amvets, smacked one in the fifth with two on to feature that inning. The Amvets secured only five hits while Cashtown was limited to but two.

Senate OK's Study Of Coal Industry

WASHINGTON (AP)—A bill to set up a new agency called the coal research and development commission, with an authorization of two million dollars, was passed Monday by the Senate.

The measure now goes to the House for consideration of Senate amendments.

The final voice vote came after the Senate rejected, 56-27, a substitute bill by Sen. Gordon Allott (R-Colo). Allott's bill would have placed the proposed study of the ailing coal industry in the hands of the Bureau ofMines.

As passed, the bill would set up a three-member commission appointed by the President as a largely independent group to study the needs of the coal industry.

New Drive To Cut Foreign Aid Sum

WASHINGTON (AP)—A $3,186,500,000 foreign-aid appropriation bill, already far below President Eisenhower's request, faces a new cutting drive today in the House.

But indications were the bill would be sent to the Senate late in the day substantially in the form it was drafted last week by the House Appropriations Committee.

Some members say the amount provided by the committee is too much. Others contend it's too little. The White House has labeled the measure inadequate in its present form and would like it boosted by $390,295,000.

An increase of that amount would provide $3,576,795,000 for use during the present fiscal year to help friendly nations in their resistance to communism. That is the amount authorized by Congress in separate bills setting ceilings for the aid program.

Tax Priority Bill Gets OK In Senate

HARRISBURG (AP)—A measure giving political subdivisions priority on wage taxes of their residents has won Senate approval despite Democratic claims it would cause serious financial damage to Philadelphia.

The Republican-controlled Senate Monday passed the bill, 28-21, and sent it to the House.

The measure would allow the resident of a political subdivision to use any tax assessed on his wages or earnings as a credit against a similar tax by any other political subdivision.

NOTICE TO NEIGHBORS

SAN PEDRO, Calif. (AP) — The following sign was displayed today on an overgrown front lawn: "To one of my disgusted neighbors who won't mind his own business: I will clear the weeds when I'm good and ready. Kelly."

Noted composer Johann Bach once walked 230 miles to attend a musical festival in Lubeck, Germany.

Big Crowd Watches Clowns At L-town

Approximately 1,000 fans were on hand Monday evening to witness one of the funniest shows in baseball played on Littlestown's Memorial Field for the benefit of the Littlestown Little League.

League officials said it was one of the largest crowds to ever attend a game on Memorial Field. The contest pitted the Indianapolis Clowns against the Georgia Flyers with the Clowns coming out on top 6-1.

A group of the ball players put on an exhibition of "shadow ball" and the fans were amused when the "Great Yogi" put on several acts between innings.

HOUSE PASSES LIST OF BILLS

HARRISBURG (AP) — A state council to chart Pennsylvania's economic future has been endorsed by the House.

By a 183-10 vote Monday night, the lower chamber approved the plan and sent it to the Senate for further action.

The House approved and sent to the Senate other bills that would:

Require foreign farm cooperatimes to add the word "cooperative" to their name (191-0).

Provide that no vehicle registration plates be issued to any person who has failed to pay for previous plates (185-6).

Further define the term "child" or "children" in the vehicle code provision on school bus operations 191-0).

Increase the payment for burial costs under the Workmen's Compensation Act from the present $425 to $750 (175-17).

Provide for the payment of expenses for state penal institution employes injured in the performance of duty (192-0).

Create a state apprenticeship council to set up a statewide labor apprenticeship and training policy (170-23).

DALLAS SCHOOL TENSION EASES

DALLAS, Tex. (AP) — Each day's delay in integrating Dallas schools lessens the likelihood of violence when segregation does end, the Dallas School Board said Monday.

"General tensions of the citizens on both sides of the segregation problem have been and are lessening and mellowing, and the likelihood of strife is becoming less by the day," the board said in a brief prepared by its attorney, Henry W. Strasburger.

The board directed Strasburger to file the brief in U.S. District Court in answer to requests by Negroes seeking integration of the city's schools this fall.

Will Hear Plea

Judge T. Whitfield Davidson will hear the Negroes' plea Thursday.

The petition said until the conflict between state and federal laws has been decided, desegregation is impractical. Texas law requires an end to state aid for local schools when a district is integrated without approval of a majority of its voters.

Dallas would lose an estimated $2,500,000 per year if allocation of state funds was stopped.

Policeman Stops Runaway Truck

LOS ANGELES (AP)—When a truck loaded with 12 tons of gravel started to roll down an embankment onto the Harbor Freeway, policeman Norman Judd leaped—not to safety, but into his patrol car parked in the path of the truck. He slammed on his brakes. The truck smashed into the car's grill. It shoved the car seven feet. Both stopped short of the busy freeway.

Officials credited Judd's action with preventing a possible major smashup in the five traffic-jammed lanes. He had stopped to question the disabled truck's driver.

IDAHO SPRINGS, Colo. (AP)—A boy's cap at the base of a rocky ledge led searchers to the body of Larry Corkran, 12, Monday.

The youngster apparently slipped unnoticed from a narrow mountain trail while on an outing with a teen-age group Sunday.

ALTOONA, Pa. (AP) — Fire of unknown origin early today destroyed a large supermarket in suburban Altoona.

Damage was unofficially estimated at more than $100,000.

Nine fire companies fought the blaze nearly two hours. Two firemen suffered minor injuries.

CORN CLUB CLOSING

County farmers who wish to enter the 1959 Pennsylvania Corn Club should notify the Agricultural Extension office not later than Friday, County Agent Frank S. Zettle reminded today. The club is set up to stimulate interest in efficient corn production and is sponsored jointly by the Pennsylvania State University and the Pennsylvania Crop Investment Association. To enter, a person needs to enroll. A fall check will then be taken of his crop. Ribbons are awarded high producers.

NEWEST STATE VOTES TODAY IN 1ST ELECTION; GOP UNDERDOG

By ROBERT TUCKMAN

HONOLULU (AP)—The nation's newest state votes today in its first election.

From Hilo to Honolulu, the melting pot of people who live on this 300-mile island chain, cast ballots for two U.S. senators, one representative, a governor and a 76 member state Legislature. The polls close at 10:30 p.m. EST.

It appeared certain — for the first time in U.S. history—that a person of Japanese or Chinese ancestry would be sent to Congress.

Hope To Avoid Sweep

Republicans conceded their underdog role but hoped to upset predictions of a Democratic sweep by grabbing several major offices.

Democrats made a strong showing in the June primary and have won Hawaii elections since 1954.

Election officials predicted a record vote, perhaps 90 per cent of the 183,099 registrants.

Most Hawaii attention was focused on the race for governor, pitting Democrat John A. Burns against Eisenhower - appointed Gov. William F. Quinn.

One House Seat

Burns, 50, serving a second term as elected delegate to Congress, piled up 69,152 votes in winning the Democratic nomination June 27 from a comparatively unknown opponent.

Quinn, 40, got 49,531 votes in running unopposed for the Republican candidacy.

Democrats believe they have a sure winner in Japanese-American Daniel K. Inouye, 34, running for Hawaii's lone House seat.

Opposing him is Dr. Charles K. Silva, 55, a dentist who is director of public institutions.

Oldtimers In Race

Two oldtimers in island politics are contesting for one of the Senate seats.

They are Oren E. Long, 70, former appointed governor and longtime territorial legislator, and Wilfred C. Tsukiyama, 62, territorial senator and elder statesman of island politicians of Japanese ancestry.

For the other Senate seat, Hawaii-born Republican Hiram L. Fong, 52, millionaire Chinese-American businessman, is opposing Connecticut - born Frank F. Fesi, 38, a territorial senator who scored the only upset of the primary by winning the Democratic nomination.

Obscene Literature Law Is Approved

HARRISBURG (AP) — An obscene literature law was approved by the House Rules Committee Monday.

The measure, sent to the floor for further consideration, would supplement an earlier administration proposal aimed at obscene motion pictures. The latter is now nearing a final vote in the House.

Both bills are intended to fill the void in the state's penal code left by the recent State Supreme Court ruling that the present law on obscenity is too vague and, therefore, unconstitutional.

Would Increase Compensation Rate

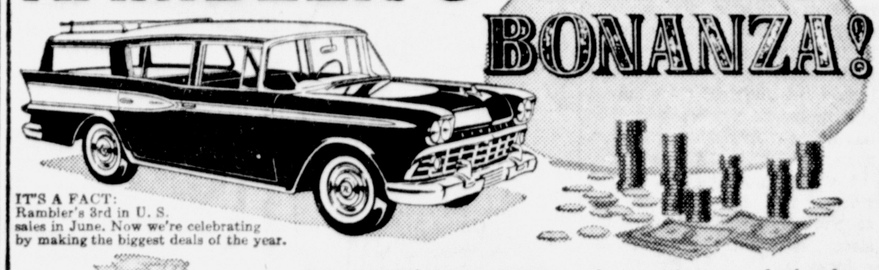

HARRISBURG (AP) — The amount of money payed out under the Pennsylvania Workmen's Compensation Act would be increased by a bill introduced in the Senate.

The bill was offered Monday by Sen. James S. Berger, Republican floor leader.

Under the proposal, the maximum payment for total disability would be increased from the present $37.50 per week to $42.50. The maximum payment for partial disability would be increased from $27.50 to $32.50 per week.

Out Of The Past

From the Files of the Star and Sentinel and The Gettysburg Times

FIFTY YEARS AGO

Bought Auto: John D. Keith, has purchased an Overland runabout. He brought the car here from Baltimore on Thursday. D. J. Forney accompanied him.

* * *

Another Moving Picture Place: Gettysburg is to have a new place of amusement in the shape of a large moving picture theatre to be erected by John M. Warner within the next few months.

The theatre will be erected at the rear of his property at the corner of Baltimore and East Middle Street and will be an extension of his property. The new building's dimensions will be 70 by 34 feet and will have a seating capacity of three hundred. The room formerly occupied by the Wizard Theatre will be used as a lobby and entrance to the new room.

There will be three exits, one by way of the lobby and two side doors on East Middle Street. It will be a two story structure, the second story to be divided into flats.

His Four Years' Savings Stolen: To be robbed of his savings of the past four years was the fate of a Hungarian at the flint mill, Aspers, on Thursday night. Two fellow countrymen committed the deed and escaped from that place Friday night after having concealed themselves for twenty-four hours in the hills near the town.

The unfortunate Hungarian had been working at the flint mill for several years and was very careful with his money. He had almost $200 on his person and kept it with him all the time. The man was doing night duty at the mill and late Thursday night was taking a little nap. Suddenly two other Hungarians jumped on him, the one holding him by the throat and the other by the legs. They soon relieved him of his hard earned earnings and left for the hills.

Grocery Stores To Close Early: At the regular weekly meeting of the Retail Merchants Association of Gettysburg held on Friday evening it was decided among other things that the grocers and hardware merchants of town who are members of the association observe the same closing hours as the other merchants. This will cause practically all of the stores in Gettysburg, except the drug stores, to be closed every evening except Saturday at 6 o'clock.

* * *

Teachers Elected: At a meeting of the School Board of Highland Township the following teachers were elected for the coming year: Locust Grove, Miss Ruth Knouse; Glenwood, Robert Stultz; Quarry, Miss Carrie Warthen; Church, Miss Grace Klunk. No change in the textbooks was deemed advisable and no other matters of importance were taken up. The term will open August 30.

Seriously Hurt In Accident: Andrew J. Koser, a prominent resident of Biglerville, was run down by a team Saturday night in that town sustaining injuries from which he is not expected to recover. The accident occurred shortly before 9 o'clock and he has never regained consciousness since.

Mr. Koser sustained his injuries when he endeavored to stop several teams from racing on the streets of the town. There was a large festival in Biglerville on Saturday evening and the town was crowded with visitors, a number of whom engaged in racing on East York Street.

Fearing that some serious results would followw if the practice were continued Mr. Koser determined to try to put a stop to it.

When he heard two teams coming he ran out into the middle of the road to signal them to stop. They were upon him however and he was knocked to the ground, trampled upon by the horses and sustained terrible injuries.

The racers made no effort to stop after the accident and drove right on.

Mr. Koser was found by S. Gray Bigham and C. C. Haines, two prominent residents of the town, lying in a pool of blood. These two men carried him tenderly into the warehouse of the Biglerville Warehouse Company nearby and physicians were summoned immediately.

Dr. Hildebrand, of Biglerville, and Doctors Stewart and Dalbey, of Gettysburg, hurried to the scene.

It was found that Mr. Koser's skill had been crushed and that his face had been bruised horribly and that he had sustained very severe internal injuries, hemorrhages following during the night.

* * *

Reporting Many Petty Thefts: Much petty thieving is reported from all sections of town and the victims of night prowlers are numerous.

The robbing of potato patches has been the chief method of operation used by the thieves and numerous people are out a large amount of their winter's supply. Among the losers are Isaac Carter, John Williams, Lewis Weygandt, and George Black.

Chicken thieves have also been active in the town during the past ten days.

Today's Talk

HOLIDAYS

People who do not take holidays soon rust. The soul has to be cleaned and oiled. At regular intervals, too.

"Time and tide wait for no man." So we must get in step and travel along with both. Holidays help. Study, recreation and growth come with the simplest of changes. Many a man has even had his whole attitude toward life changed by the reading and absorbing of a single book.

Holidays are also not necessarily days made vacant in idleness. For idleness, as such, is waste. Then time and tide do move on, leaving the man behind.

To holiday is to get away from things — the daily, day-by-day things that so often clog a mind. There can be holidays in busy days. Holidays in every day.

It was old Walt Whitman who found his soul in bus rides, ferry rides and rambles through crowds and in quiet fields, and through wild stretches of country. It was he who saw in the "mere spectacle of the world's presence" great fundamental truths.

A few nights ago I looked out of my home window and saw one of the most magnificent stars I have ever beheld. I immediately forgot all my problems of the day — and took a holiday into a world of wonder.

You don't always have to travel afar for a holiday!

Tomorrow Mr. Adams will talk on the subject: "Influence"

Just Folks

HUMAN NATURE STUDENT

"I love to study folks, said she,
And they were in a fine cafe.
"I like to go about and see
The way that human beings play.

"I like to see them come and go,
And ponder on the things they do;
For human nature, don't you know,
Is always teaching something new.

"Think not because you find me here
I really like this sort of thing,
But while the crowds are seeking cheer
Their faces I am studying."

She who had entered that cafe
To ponder on the human brood,
In that one lesson put away
Just seventeen dollars' worth of food.

BOSOX BLANK TRIBE AS HERB SCORE LOSES

By ED WILKS
Associated Press Sports Writer

Herb Score still is the "if" man for Cleveland, but now the young left-hander could be the difference between the pennant and a near-miss by the Indians, not just a first or second division finish.

In each of the last two springs, the lightly regarded Indians had been figured to be only as good as Score. Last season it was "if Score can come back from that tragic injury." This spring it was "if Score can shake that arm trouble."

Now, with the Injuns shooting for all the marbles, he has been the tough-luck disappointment of their surprising staff.

Score Loses 4th

Score lost his fourth in a row Monday night, a loser to a shutout for the second time in a three-week span. This one was a three-hitter by Jerry Casale that ended Boston's slump at six games with a 4-0 victory, clipped the Injuns' winning streak at five and dropped them into a tie for the American League lead with Chicago's idle White Sox.

It was only the sixth time Cleveland has been blanked this season, but Score (9-9) has been the loser in half of them.

In the only other AL games, Kansas City matched the longest winning streak in the majors this season, making it eight in a row with a 7-6 decision over Washington that hoisted the A's past Detroit into fifth place. Baltimore dropped the Tigers 5-2, with Gene Woodling driving in all the Oriole runs.

A's Win In 8th

Two runs in the eighth on singles by pinchhitter Frank House and Joe DeMaestri won it for the A's, matching the White Sox's mid-May winning streak. The Senators, losing their ninth in a row, set a Washington record with 123 home runs for a season on Harmon Killebrew's 33rd and a grand-slam by Faye Throneberry, which was matched by the A's Roger Maris. Harry Chiti also homered for Kansas City. Murry Dickson (1-0) won it, with Hal Woodeshick (0-3) the loser.

Woodling, driving in the Orioles' last nine runs, cracked a grand-slam, his 13th homer, off loser Jim Bunning (9-9) in the third inning, then added an RBI single in the seventh. Hec Brown (7-6) won it with Billy Loes' three innings of hitless relief.

James Feather Named "Man-Of-The-Year" In Recognition Of Naval Air Reserve Service

A Gettysburg school teacher has been named Man-of-the-Year by Naval Air Reserve Attack Squadron 662 based at the Anacostia, Washington, D. C., Naval Air Reserve Training unit, it was announced today.

In recognition of his achievement James Richard Feather, aviation machinist's mate, first class, 838 Fairview Ave., was presented a portable transistor radio by his squadron commander as his squadron mates looked on. Feather is married and lives with his wife and two children at the above address. He is the son of Mrs. Russell C. Feather of New Castle, Del.

This Man - of - the - Year award for achievement had its beginning a year ago and is awarded annually to the "Weekend Warrior" voted outstanding in proficiency, bearing, application of training and attendance. The Gettysburg teacher applied all his Naval Air Reserve training and his diligence resulted in his promotion to first class petty officer in June and his selection as top man in his squadron.

Feather did not miss a drill during the year of competition with his fellow Naval Air Reservists despite the fact he lives 81 miles from the Washington, D. C., Naval Air Reserve Training unit.

Feather teaches commercial subjects here.

He has majored in business education at Shippensburg State Teacher's College where he received a B. S. degree in Education. He studied for his M. A. degree at Columbia University during the summers of 1955 and 1956.

When his commanding officer was interviewed concerning his abilities, he said, "Feather is an excellent man."

AMM James R. Feather is shown receiving a transistor radio in recognition of his selection as Man-of-the-Year by Attack Squadron 662 in ceremonies at the Washington, D. C., Naval Air Reserve Training unit where his squadron is based. The radio was presented by his commanding officer.

FISH LICENSES ARE BADLY HIT BY POLLUTION

HARRISBURG (AP) — William Voigt, executive director of the State Fish Commission, today listed large fish kills from pollution as one of the reasons for a decline in the sale of fishing licenses.

"We have had repeated large scale killings of fish in our waters because of pollution," Voigt said in a statement prepared for a closed meeting of the Senate Forests and Waters Game and Fish Committee.

Voigt said repeated fish kills from pollution in the western, central and eastern parts of the state had caused some fishermen to be discouraged.

He specifically mentioned two large fish kills in the Susquehanna below Williamsport in the summer of 1957 and 1958; a fish kill at the Spring Creek Hatcheries, near Bellefonte, in the winter of 1956, and one discovered Monday in the north branch of the Susquehanna from Berwick down to Danville.

The committee had asked Voigt for reasons why the number of fishing licenses sold declined by some 40,000 last year.

"We knew we would have fewer fish to stock in 1958 than 1957, and this was because of the financial situation that made us ask you to raise the license fee," the director said. "We told the fishermen frankly that we would have fewer fish to stock and it could be that this was a contributing cause of the drop last year."

Voigt also said in the statement that the increase in the cost of fishing licenses in 1957 from $2.50 to $3.25 probably contributed to the decrease.

"It is not unusual for sales to drop after a license fee has been increased," he said.

Jim Hickey Will Coach Tarheels

CHAPEL HILL, N. C. (AP)—Jim Hickey, an assistant of North Carolina's football staff for three years and a successful small college coach before that, is the new head coach of the Tar Heels.

The 39-year-old Hickey was appointed Monday to succeed Jim Tatum, who died last Thursday of a virus infection.

Hickey, head coach at Hampden-Sydney College in Virginia for five years before coming here in 1956, was given a three-year contract. It calls for an annual salary of $12,000.

BOSTON CALLS FIRST NEGRO

BOSTON (AP) — Boston Red Sox owner Tom Yawkey, challenging his players to get going or get out, has ordered the cellar club's infield shaken up.

Yawkey and General Manager Bucky Harris Monday called the shots as shortstop Jim Mahoney and Negro pitcher Earl Wilson were summoned from the Minneapolis farm.

After a phone conversation with field boss Billy Jurges in Cleveland, it was announced that Mahoney, batting .211 in the American Assn., would start for the Sox at short in tonight's doubleheader with the Indians. Pumpsie Green, recently called up as the first Negro to play for the parent club, takes over second base while Pete Runnels moves to first.

Benched until further notice are shortstop Don Buddin and previously platooned first basemen Dick Gernert and Vic Wertz.

Jurges said in Cleveland he would work Wilson (10-2) in relief at first, then perhaps move him to a starting job later.

HAUFF LOSES MIDAS TOUCH

MOUNT PROSPECT, Ill. (AP) —Momentarily, at least, Richard Hauff has lost his Midas touch.

The 25-year-old raconteur, who in 1943 was a war waif in his native Iran and last February bought the Mount Prospect Country Club for a million dollars, just blew $27,500 on his first golf tournament.

That $27,500—the dapper Hauff's own figure—represents his first setback after spiraling financially upward in an amazing rags-to-riches story.

Betsy Rawls won Hauff's $20,000 Mount Prospect Women's Open Monday with a 5-under-par 291. She beat out her closest chum, Mickey Wright, by one stroke for the $6,500 first prize, richest in women's golf.

Mickey blew her chance on the last hole, when a trap cost her a bogey 5, and settled for runner-up cash of $2,100. Fay Crocker was third with 293, followed by Louise Suggs at 295 and Beverly Hanson 296.

Wants Referendum On Liquor Sales

HARRISBURG (AP) — Legislation proposing that each municipality and township in the state hold a referendum on the question of Sunday liquor sales has been introduced in the House.

Reps. Pat C. Trusio (D-Fayette), Samuel W. Frank (D-Lehigh) and Stanley A. Meholchick (D - Luzerne) sponsored the measure on Monday night.

The referenda would be held this fall at the regular November election. The communities would be voting solely on legalizing such sales in their own areas.

The question would be whether sales should be permitted in licensed hotels, restaurants and in bars up to 2 a.m. and after 1 p.m. on Sunday. Under present law, no sales are permitted between midnight Saturday and Monday morning, except in private clubs.

WEDDING DATE IS POSTPONED

SHORT HILLS, N.J. (AP) — Socialite Jacquelin Gay Hart, 21, who says she fled to Chicago to escape the strain of elaborate wedding plans, has decided to postpone her marriage.

Publicity over her case caused the postponement, says Gay's father, Ralph A. Hart.

Hart, executive vice president of the Colgate Palmolive Co., told of his daughter's decision Monday. He said she eventually would marry Stanley Gaines, 25, of Fayetteville, W.Va., as planned, but gave no date. They were to be wed Aug. 29.

A nationwide alarm went out for Gay last week. The honey-blonde vanished without a trace from Newark Airport after seeing Gaines off to Pittsburgh.

She turned up Friday in Chicago, 50 hours after her disappearance, and told police that she had been kidnaped. She admitted later the story was false.

Remains Silent In Fatal Shooting

LAFAYETTE, Ind. (AP) — A Purdue University graduate student Monday maintained his silence over the fatal shooting of a retired admiral's son and asked a delay in a preliminary hearing until he could get a lawyer.

A preliminary charge of first-degree murder was filed against Prentice G. Van Conrad, 31, of Houston, Tex., who was studying for his third scholastic degree.

The pistol victim last Friday night in a garage apartment near the campus was James F. Strain, 26, of La Porte, son of retired Rear Adm. Charles L. Strain.

Van Conrad appeared only a few minutes in Lafayette city court.

NEW FASHIONS WILL FEATURE WASP WAISTS

By NADEANE WALKER

PARIS (AP) — A sculptured spiral line running heavily to tunics and wasp waists was the curtain raiser today at the house of Gres for the annual showings of French fall and winter fashions.

Skirts were at the top of the calf. Colors initiated the sculptor's materials, from wood browns and grays to bronze green.

Reversible coats were of heavy rustic tweed or mohair. Day dresses were almost wasp-waisted and with cinched belts two to four inches wide.

Gres' forte has always been drapery, and she uses it this time to wrap the figure in sculptured folds.

Wider Shoulders

The new, wider shoulder gets its width, not from padding but from large armholes and big tube sleeves.

Leather and wool are used together to make suit jackets and blouses. Jackets hit midhip and are usually tightly belted. They are sometimes lined with shaggy mohair and teamed with heavy mohair blouses.

Bat-wing Sleeves

Coats are barrels—the designer calls them magnet shaped—with big pilgrim collars. Belted tunic coats leave just about two inches of contrasting dress showing at the hem. Cuff and necklines are lined with dress material.

Classic jersey dresses have soft gathers on the skirts and gathered-in sleeves, and the audience still likes them.

Lots of coats have three fourths bat-wing sleeves to give them cape-like lines they are worn over skirt and blouse or dress to match their lining. Some have scarf-tied collars.

For after dark, necklines are called "handle or arrow" shaped and, as the designer says, "do not fear any boldness."

Brighter colors like cherry, lemon, turquoise and absinthe come in for afternoon, and pink is an evening favorite.

HADDONFIELD, N. J. (AP) — Despite three crack-ups in the Indianapolis 500 auto race, Mike Magill is going back for more next year.

The Haddonfield racing driver, only recently released from an Indianapolis Hospital, said Monday he has signed to drive for the fourth time in the Memorial Day race.

APPRECIATION

In resigning my position as manager of the Coffman-Fisher Department Store, effective August 1, I want to take this opportunity to express my most sincere thanks and appreciation for the patronage we have enjoyed from so many during out affiliation here since 1933.

Mrs. Dietrich and Miss Anna Matz join me in this expression of appreciation. Our associations in Gettysburg and Vicinity have been most pleasant and we are leaving not without considerable regret.

I will appreciate your continued patronage with the Coffman-Fisher Company Department Store under the new management of J. Frank Sapp who will succeed me.

Continental League Plans To Play In '61 With 8 Teams

By JACK HAND
Associated Press Sports Writer

NEW YORK (AP) — The five founding cities of the third major baseball league — the Continental League—plan to operate in 1961 with at least eight clubs.

Where will they get the players? Will they work with the other majors? Or outside the present structure?

These questions will be batted around when the founders meet Aug. 18 with Commissioner Ford Frick's seven-man committee from the existing majors.

New York A Founder

New York, is one of the five founders. The names and backers of the others were announced Monday at a news conference by Bill Shea, chairman of Mayor Wagner's baseball committee.

Toronto, Houston, Denver and Minneapolis-St. Paul round out the group of founders. Shea listed 11 cities that have evinced interest in joining. They are Buffalo, Montreal, Atlanta, New Orleans, Miami, Indianapolis, Dallas-Fort Worth, Seattle, Portland, Ore., San Diego and San Juan, Puerto Rico.

Shea said he hoped to have two or three more cities lined up with the founders before his group meets with Frick's committee. He declined to reveal details of his plans for securing players from existing major league teams and their minor league farms.

Expects Cooperation

The new league said it expected full cooperation from the American and National leagues, who voted in May to favorably consider applications for major league status by "an acceptable group of eight clubs which could qualify."

Shea said the league would have a minimum of eight clubs, perhaps 10 and more than 12 when fully organized. It will play a 154-game schedule.

"We are proceeding on the basis of complete and unqualified cooperation of the two existing major leagues," Shea said in a statement.

Shea also disclosed the league had arranged to comply with a request from Seanator Estes Kefauver (D-Tenn) to appear July 31 in Washington before an antitrust subcommittee.

AVILA MAKES DIFFERENCE FOR BRAVES

MILWAUKEE (AP) — Bobby Avila is proving that competent second basemen are the sparkplugs that make the Milwaukee Braves baseball machine run the best.

Since he joined the Braves last Wednesday, Milwaukee has changed a rout into a chase and is challenging for the National League lead.

Two years ago, after jus mtissing the title in 1956, the Braves traded with the Giants, then of New York, for Red Schoendienst and went on to win their first pennant since moving to Milwaukee. He was at second again last year and the Braves repeated.

Won 1st Game

Tuberculosis put the veteran infielderout of the lineup this year. A parade of replacements attempted to fill the post. The Braves turned to the American League and bought the 33-year-old Avila from the Boston Red Sox.

In his first game with Milwaukee, Avila's first hit was a ninth-inning home run that beat the Cincinnati Reds and snapped the losing streak.

He's been at second every game since and during the span the Braves have won 6 of 7 contests, and climbed back to second place, only a game and a half behind the league-leading San Francisco Giants.

Big Little League

Four runs in the top of the ninth inning gave the Big Little League All-Stars a 10-8 victory over the Old Timers in the annual game Monday evening which concluded regular league activity.

The Old Timers were composed of coaches, managers and umpires.

In the first inning the All-Stars scored a run on a walk to John Chrismer and singles by Clabaugh and Hull. The Old Timers came back with three in their half after two were out. John Toggas and Curt Eckert singled after which Junior Wirt smashed a 330-foot home run.

George Kennell homered with Hankey and McCans on base in the bottom of the fourth to put the Old Timers in front 6-1.

The All-Stars picked up a run in the sixth and added four in the seventh to tie the score on two hits, a pair of errors and a couple of walks.

In the last of the seventh the Old Timers again went a head with a pair of runs. The All-Stars capitalized on an error after two were out to stage their winning ninth-inning rally.

A double play wiped out a rally by the Old Timers in the bottom of the ninth.

BRAVES TAKE FIVE STRAIGHT OVER PIRATES

By ED WILKS
Associated Press Sports Writer

The Milwaukee Braves, who only a few days ago looked as they had had it, now have it again—and the "it" is pitching.

With Warren Spahn, Lew Burdette, Juan Pizarro, Bob Buhl and Joey Jack back in form, the Braves have reclaimed second place, closing within 1½ games of idle San Francisco in the National League race as Pal Joey put away a five-game sweep over Pittsburgh Monday, 5-2.

That five-man staff gave up only three runs in the five games, blanking the Bucs through the first 30 2-3 innings and not allowing an earned run for 38 frames until Pittsburgh finally got one home in the third inning Monday.

Reds Rap Cards

Cincinnati rapped St. Louis 8-3 in the only other NL game.

Despite a five-hitter by Jay (4-7), who hadn't won in a month, the Braves didn't bag it until the seventh. Blanked on three hits until then by Ron Kline (7-10), they broke loose for all five runs, scoring on Del Crandall's tying, two-run single and Bobby Avila's clinching, two-run triple.

The Reds scored twice in the first inning, then nailed Vinegar Bend Mizell (11-6) with Johnny Temple's fifth homer, a three-run shot in the fourth. Bob Purkey (9-10) went all the way, giving up five of the Cards' nine hits when they scored all three runs in the fifth.

Gettysburg Little League

The Lions continued to keep a half a game behind the league-leading Bream's in the close pennant race, as they downed the Rotary 7-1 on the Recreation Field in a Little League contest Monday evening.

Dave Bream and Eddie Tilberg teamed up to turn in a one-hitter and keep the Rotary to one run. Rance Smith, lead-off batter in the top of the first frame, lined a clean single to center to register the Rotary's lone safety. The visitors managed to get runners on base via errors and three walks.

Manager George Bender's outfit loaded the bases in the third inning with no outs but were held to one run when Ken Kitzmiller walked, forcing in Dick Smith.

The Lions tallied twice in the second on a single by Bill Eden, Dan King's triple to center and Pete Nelson's ground out. The second-place team crossed the plate again in the fourth when Eden got on via an infield miscue followed by singles to King and Bob Little. The Lions climaxed their scoring in the bottom of the fifth with four runs on five hits including a double to left off the of Bob Little.

Dan King, Lion first sacker, was the game's top hitter with a perfect three for three. Dave Bream gets credit for the win while Johnny Flynn, who tossed a fine ball game, is charged with his second setback.

Littlestown Little League

The Phillies nipped the Pirates 9-8 Monday evening as regular play resumed in the Littlestown Little League.

After trailing 8-0, the Phillies scored four runs in the fourth, two in the fifth and three in the sixth to snatch the come-from-behind triumph.

The Pirates profited by many walks early in the game while their defense sagged in the late stages.

France has a population of about 40 million people. This does not include its colonial population.

Eastern League

By THE ASSOCIATED PRESS

The aging Curt Simmons found the fountain of good pitching Monday night, and put Williamsport back on the track toward the Eastern League pennant.

The 30-year-old injury - troubled southpaw, sent down to Williamsport by the Philadelphia Phillies to regain his pitching form, tossed a five-hitter against Allentown.

The 14-1 victory gave the Grays a two-game lead over the second-place Red Sox, who had beaten Williamsport twice over the weekend. It was Simmons' second start. The first time out he pitched six innings and was relieved after giving up two homers.

Simmons (1-0) went all the way, retiring the first five men in a row before giving up a single, and then setting down ten more in order.

Clouts Two Homers

Power-hitter Tony Curry backed him up with seven rbi on three hits, including his 15th and 16th homers. Al Antinelli (14-5) gave up five of the Grays' 16 hits and was nicked for the loss.

The Springfield Giants made it four straight over York with a 4-2 win, but failed to gain any ground in the tight pennant race. They are only 2 1-2 games off the pace.

George Case (1-1) had some top-notch fielding behind him as he posted his first win of the season. He gave up a homer to York's Bob Boyer and seven other hits.

The Albany Senators made it five straight over Reading in the night's only doubleheader, winning 7-3 and 6-4. The Senators collected 14 hits off lefty Steve Hamilton (8-6) in the opener, and then pounded Julio Guerra (10-8) for 12 in the nightcap. Bill Kirk (1-0) was the winner of the first game, while Ted Sadowski (10-5) got credit for the second.

Richie Windle's bases - loaded homer in the sixth inning gave Binghamton an 8-6 victory over Lancaster. The Roses held a 6-0 lead, but the Triplets scored three runs in the fifth and five more in the sixth to win. Pat Utley (4-1) was the winner and John Jancse (8-6) the loser.

Upper Adams Pony League

Biglerville's unbeaten Red Legs, first half champs, won their fifth straight without a loss in the second half race of the Upper Adams Pony League by clobbering the Dodgers at New Oxford Monday evening 16-3. Slaybaugh of the Red Legs slapped out the only homer of the game.

The Arendtsville White Sox tallied a run in the bottom of the sixth inning to nip the Idaville Senators 5-4 to retain second place. Kane collected three hits in as many trips to the plate for the Sox. Redman, winning hurler, fanned 11, and his opponent, Snyder whipped six.

Ben Jones, former Gettysburg High School football coach, and his wife today moved to Berwick, Pa., where he will take over as head football coach of Berwick High School this fall.

Jones resigned early this year after coaching the Warriors for two years.

Mr. and Mrs. Jones will reside in an apartment at 1201 Orange St., Berwick.

LUIS APARICIO CALLED BANDIT OF BASEPATHS

By JOE MOOSHIL
Associated Press Sports Writer

CHICAGO (AP)—Luis Aparicio, the little bandit of the basepaths, from Maraciabo, Venezuela, has Chicago White Sox rivals cursing with admiration.

The 25-year-old shortstop, the solid center of Chicago's well knit defense, is keeping the Sox in contention for the American League pennant not only with his fielding but also his superb base-running.

Luis has been the American League's top base stealer since breaking in the majors in 1956. As a rookie he had 21 stolen bases. Two years ago he led the league with 28, last year he was tops with 29 and this year he already has 31.

The minute Luis gets on base, White Sox fans begin their hammering chant of "go, go, go." He has been caught stealing only eight times and three of these involved the tough attempts at third base or home plate.

In the field, Luis has no peer in either league. There are those who claim he is the greatest shortstop of all time. Many who won't go this far refuse to name anyone greater and add "he's as good as any" they've seen.

Baltimore Manager Paul Richards recently called Aparicio "the greatest living shortstop of all time."

SAYS CHAMP WILL DEFEND TITLE IN FALL

GOTEBORG, Sweden (AP) — Promoter Bill Rosensohn is sure Ingemar Johansson will defend his heavyweight title against Floyd Patterson as per agreement in the United States in September.

Edwin Ahlquist, the champion's advisor, says there will be no negotiations until all questions about Ingemar's purse for the first fight, June 26, are fully settled.

Johansson said he surely is going to the United States. He added henceforth he would only sign contracts "where I can see the signature of my challenger on the opposite side."

To Get Statement

Ahlquist and Rosensohn held conferences all day Monday. Then Ahlquist called a press conference to explain that the promoter was going back to New York today to get a complete financial statement on the first fight.

Rosensohn had nothing to say at the conference. Monday night in a telephone interview he said emphatically he had an ironclad contract for the return fight. He said he was confident things would be straightened out.

"It is only natural that he wants to see that he gets what he has coming to him," said Rosensohn. Much of the champ's purse was tied up in escrow to assure he would go through with the rematch and in legal proceedings by heavyweight Eddie Machen who claimed damages for a run-out on an alleged rematch.

Emmitsburg Little League

The Red Sox moved into contention for the Emmitsburg Little League title by defeating the Yankees 7-3 Monday evening in a crucial ball game. The win is the fifth in a row for the Red Sox and they are now tied for second place with the Yankees at six wins and five setbacks. The Yankees had been tied for first with the Giants.

Should the Giants lose tonight, the league will be thrown into a three-way tie for first place.

Line score:

Red Sox	7	4	2
Yankees	3	5	2

REG. U.S. PAT. OFF.

by FREDERICK C. RUSSELL
Member S.A.E.

For the fun of it I suggested that a friend of mine take a look at what he believed was a well stocked supply of aids. He was a bit chagrined to find that two tools, a monkey wrench and a long screw driver had disappeared The short length of hosing for a combination fire extinguisher and emergency tire inflator had somehow vanished. The base for the bumper jack was discovered over in the corner of the garage where it had been discarded after being used for some household chore. The firt aid kit was the same as he had carried for fifteen years in various cars, so we decided its contents could well be replaced with something newer.

Mechanic Joe Speaking:

"Often incessant pinging of the engine when accelerating is due, not to low octane gas or to heating or to accumulations of carbon, but to an excessively lean mixture. and one way this can happen is quite frequently overlooked.

I'm referring to a leaky diaphragm in the windshield wiper vacuum booster side of the fuel pump. Air drawn from the crankcase is sucked into the intake manifold thus leaning the mixture.

Q. Recently my car has been striking bottom whenever going out the driveway into the street. The springs do not seem to be weak. I am sure that none is broken. K.R.W.

A. I'd be suspicious of having an inoperative shock absorber.

Q. I am having quite a time with the engine pinging. Higher octane gasoline doesn't seem to help the situation, and if I retard the spark the engine runs too hot. At the mileage the car has traveled I do not feel that its cylinders have loaded up with carbon L. G.

A. Better take a look at the action of the manifold heat control valve. It may be stuck in such a position that the misture constantly is being preheated. That will cause pinging when the engine is hot.

Q. Checking over the carburetor of my car I find there is no screen in the fuel line where it enters float bowl. No wonder the needle valve occasionally hangs up because dirt reaches it. How can I install a screen there? N.K.S.

A. The carburetor on your car was not originally equipped with such a screen. I do not think a screen there will help matters as it would not trap out as fine particles as the filter element in the fuel filter.

Q. Recently the gas mileage from my car is lower than it has been for some time. The car hasn't been used much of late. L. L. R.

A. Probably the drop in mileage is due to evaporation. My guess is that the car has been parked around a lot in hot sun.

Q. There is no downshift when I am driving along in Drive and want to shift the automatic transmission to Intermediate for quick overtaking of another car. I have been told that a fuse of some sort may be blown. C. C. T.

A. There is no fuse for this transmission. The first thing your mechanic will check is the adjustment of the throttle linkage control. If this doesn't help, then he will examine the valve body.

Q. On a recent trip the generator took to showing an unusually high charging rate. I made several special stops just to crank the engine and use the starting motor, but it doesn't seem to help the situation. W. M. K.

A. This can happen if the battery is overheated.

Q. I am troubled with squealing of the ball joints on my car. Is there any remedy for this? S. F.

A. Apparently there's a ball smoothly. Try some special lubes before considering a replacement.

Q. Is there any way to check water-spotting of the car's finish? L. R.

A. Dust off the car before taking it out in the rain and wipe its flat surface dry after garaging it.

Mr. Russell will answer questions regarding the safe care and operation of your car. Just address him care of the Gettysburg Times and enclose stamped, self-addressed envelope for a personal reply. Please confine inquiries to one subject and limit letters to 100 words or less.

Any time you think you are not quite as skillful as you used to be just watch someone else park his car.

Even though your car may be stopping well enough to keep you out of trouble the chances are that its brakes need a lot more attention than appears on the surface.

It has encouraged more careful checking into the causes of accidents. Many observers are wondering whether many a collision could have been avoided if brakes had been a little more responsive. In a high percentage of cases of inability to stop quickly enough to avoid a check-up no brake failure was found. The question is whether there would have been any collision at all had the brakes been a little more effective.

Recently a motorist complained that his car was pulling to the right whenever slowed down. The also was some squealing which he had not noticed before. The car went to the shop for an adjustment, but when his mechanic look over the brakes he found charred linings and drums warped out of shape. Invariably shops find brakes are in much worse condition that owners of the cars suspect. A correction brings that extra margin of security so important to safety.

For Future Reference

Here's what it means when gas or oil, or both, are found around the fuel pump's vent:

Gasoline showing up at this point is an indication that the diaphragm of the pump is punctured. Oil at the vent means that there is a defective oil seal at the top of the pull rod.

In either case the pump should be rebuilt or replaced.

How long is it since you checked over the car's tool kit and its emergency equipment?

THE DRIVER'S SEAT

As any new father will tell you, babies learn early that parents can be conditioned without much difficulty. Cry loudly, the tiny ones reason, and a loving parent will trot dutifully up to the crib and provide food and love. In such cases, both children and parents have been conditioned mentally.

Psychologists long ago discovered that mental conditioning is a basic fact of existence. Now highway safety experts are finding that mental conditioning is something they can use to make our roads and streets safer.

"Stop" signs are an example of how safety experts and traffic engineers are conditioning people. The driver who sees a "red" stop sign — which became the national standard a few years ago — and doesn't go through the motions of stopping is rare indeed. Stopping when you see a red sign is almost an involuntary action. Red . . . stop.

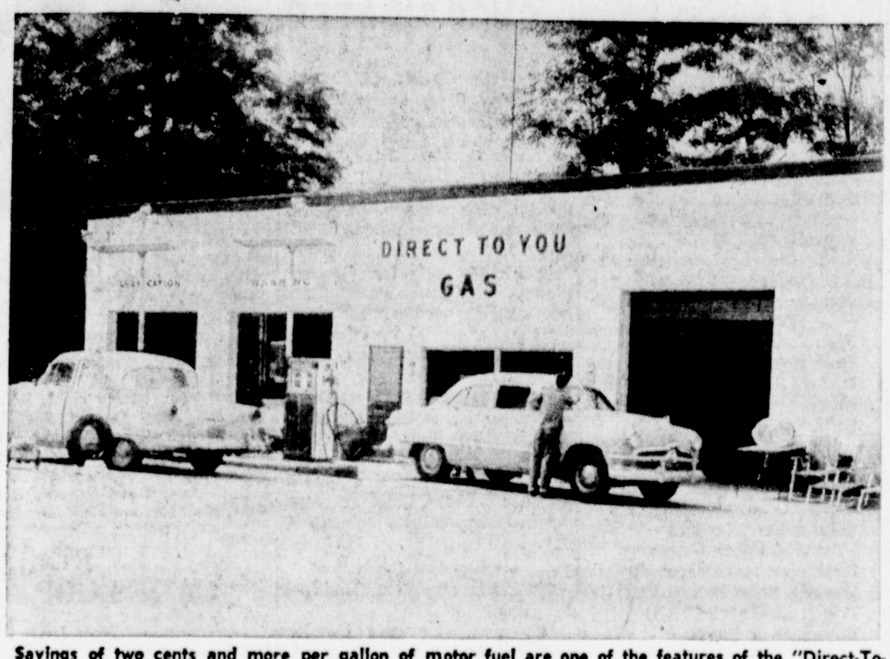

Green For Signs

Now traffic engineers and safety experts are extending this basic idea. For example, the latest development is the use of green for signs that tell us where to go.

The U. S. Bureau of Public Roads, which controls all federal roads in the United States, recently decreed that green direction signs would be standard on all interstate roads. It is convinced that a motorist traveling on a high-speed road should not have to go through the possibly lengthy process of thinking out a situation. Rather, say these experts, it is better to give motorists a sign that will make them react without thinking, like the mother who is out of bed before she is awake when her child starts crying in the night.

So, some night when you are cruising steadily along a highway and see a bright green sign reflecting in your headlights ahead, you will know what it means without even thinking about it: That sign gives directions. At high speeds such a conditioned reaction can save lives, according to safety experts.

A cry in the night may be audible, like a baby's wail, or visible, like a sign. Either way, you're conditioned to respond for your own benefit.

Savings of two cents and more per gallon of motor fuel are one of the features of the "Direct-To-You Gas" service station pictured above. The station also offers a variety of useful and valuable premiums. "Direct-To-You Gas" is located on Route 30, east of Gettysburg. (Times Photo)

NEW EMPHASIS ON ELEGANCE

PARIS (AP) — Sophistication is the swelling note in Paris fashions for fall and winter—less prettiness and more elegance.

Diagonal drapes are going strong, but most other trimmings have been trimmed off the new "plucked" silhouette, with a slimmer line and slightly longer skirts.

Pierre Cardin's show Monday night brought new shapes and shaded colors.

Cardin's promised suit revolution turned out to be long-jacketed tunic suits, mostly slim but unwaisted tubes. Jackets strike halfway between waist and knee. Tunic dresses have sheath underskirts showing just about an inch at the bottom.

Cardin refuses to be pinned to one hemline. Some are short, barely covering the kneecap. Others come down to midcalf, as long as anything likely to be seen.

Colors of his coats shade subtly to a deeper tone at the hem. A coat trio called Oxford, Cambridge and Harvard was in wide-shaded chalk stripes—one blue, one brown, one green.

DR. BOEHM'S VIEWS

HARRISBURG (AP) — Dr. Charles H. Boehm, state public instruction superintendent, voiced doubt Monday night that the Legislature would pass a proposed 200-million-dollar boost in state aid for schools.

Boehm also told a television panel of newsmen (Capital Correspondents-WTPA) that any plan to raise teachers' salaries again should be accompanied by requirements for a longer school year.

Cigarette With Built-in Cough Syrup Would Offer Way To Quick Millions

By HAL BOYLE

NEW YORK (AP) — Things a columnist might never know if he didn't open his mail:

Are American cows getting soft? Are they too contented? They now lag behind the cows of six other countries in milk production. The average U.S. cow produces only 6,300 pounds of milk a year, compared to 9,040 pounds for a cow in Holland, the world leader.

You probably don't know how busy your little body really is... even when you're resting it destroys and replaces 10 million red blood cells every second.

Odd Drinking Habits

Famous people sometimes have some odd drinking habits. Christopher Columbus put salt in his wine. And Frederick the Great liked to flavor his champagne by stirring in a little mustard.

One reason you have to watch your weight. The orodinary adult, according to Dr. Carlton Fredericks, the nutrionist, consumes his own weight in food every 50 days.

Marital truthh: "A marriage goes on the rocks," says singer Lisa Kirk, "when neither party wants to be a mate — and both want to be captain."

In Pepys' Diary

Three of every five families in the United States now are protected by some form of health insurance.

The federal budget has been balanced only five times in the last 27 years. This was a big red ink year despite the fact the Bureau of Engraving and Printing turned out 35 million dollars daily in fresh bills.

Fashion news: This notation appears in Sir Samuel Pepys' Diary in the year 1669: "My wife this day put on her first french gown, called a sac."

Earth Grows Warmer

One way to make a million dollars. Invent a cigarette with a built-in cough syrup.

The Maori tribesmen of New Zealand believe that the moon is the permanent husband of all women and plays a more important role in reproduction than do earthly husbands.

Meteorologists believe the world is growing slightly warmer. One proof: The ice in the Arctic Ocean is only about half as thick as it was late in the 19th century.

No More Filthy Lucre

You looking for some clean money? Japan is experimenting with a new kind of paper currency that can be laundered.

Men seem to be getting vainer than women. Here's an example: Barber shops in New York City now outnumber beauty parlors 5,004 to 3,995.

The nicest old girl in America is the Statue of Liberty. She has proboscis two-feet-six.

Prosperity note: Latest statistics show 28 per cent of American families are living beyond their income.

There is one heartening fact about the growing problem of juvenile delinquency. Last year there were about 18 million boys and girls between the ages of 10 and 17 who were not picked up by the police for any crime whatsoever.

Our quotable notables: "There is no point high enough that one can say, 'This is the peak.'" — violinist Jascha Heifetz.

Hamsters, popular as pets and useful to science in laboratory experiments, are now being raised for their fur. It takes 120 of the little animals to make milady a coat.

Canine comfort: There's a summer camp in Westchester County for dogs.

SAN DIEGO, Calif. (AP)—The 1,200 leathernecks at the U.S. Marine Corps recruit depot are confined to quarters. Somebody stole the flag of Gen. Randolph McCall Pate, commandant of the Marine Corps.

Pate arrived Saturday on an inspection tour. When the color guard went to lower his personal flag—four white stars on a red field—Sunday night, it was missing.

JORDANVILLE, N.Y. (AP) — Two hundred searchers combed woods and drained a pond looking for Donna Walrath, 8, Sunday. After five hours, they finally found her—soundly sleeping under the porch of her home.

SYRACUSE, N.Y. (AP) — Alonzo McEwen, an unemployed mechanic, admitted to police Sunday that he chained one of his 10 children to a bed for 24 hours as punishment for disobedience. The boy, 13, was placed in a foster home. McEwen was held on an open charge.

HARTFORD, Conn. (AP)—Sen. Thomas J. Dodd (D-Conn) was discharged from a hospital Sunday after treatment for food poisoning.

VINELAND, N. J. (AP) — Bill Terrell of Richmond, Va., and Norma Sayah of Williamsport, Pa. Sunday won the two divisions of the feature at a sports car racing program.

Terrell drove his MGA 22.5 miles in a fixed time race of 20 minutes at the Vineland Speedway. Sayah covered the most distance—24 miles—to win the second division of the race in his Elva car.

SAN FRANCISCO (AP)—Veteran right-hander Eldred (Bud) Byerly joins the San Francisco Giants Tuesday night.

The 38-year-old Byerly, who has pitched for four other major league teams, had a 6-2 record at Minneapolis in the American Assn. The Giants gave up right-hander Billy Muffett and cash for the big curveballer.

Moonshiner Wanted For Murder Dies In Barn Fire

FERRUM CROSSROADS, Va. (AP)—Burial services were held Monday for Earl M. Smith, a convicted moonshiner whose resistance to arrest on a double murder charge erupted Saturday into a blazing day-long gun battle with police and Smith's death in a blazing dairy barn.

The charred remains of the 30-year-old desperado, who was released only a week ago from a federal reformatory, were found early Sunday in the blackened timbers of the barn he used as a fortress against an army of law officers, a military tank and two armored cars.

Smith had been sought since the fatal shooting Friday at Bassett of his brother-in-law and an 8-month-old-niece.

4,000 Watch Fight

He was discovered when state trooper James H. Martin entered the barn to make a search and caught a rifle slug in the chest from Smith's .30 caliber rifle. The 27-year-old law officer remained in critical condition.

In the hours that followed, more than a hundred law officers and a vast array of equipment were mobilized at the scene. Some 4,000 persons watched the drama unfold from nearby hillsides as a withering barrage of shotgun, rifle and machine gun fire and 20 tear gas shells was poured into the wooden structure.

Refused To Surrender

Smith refused to surrender even after the impassioned pleas of his father over a loudspeaker.

Late in the evening flames were noticed in the barn's hayloft and police rested their weapons. In minutes the huge white barn was a mass of flames.

The barely discernable remains of Smith were found alongside the rifle that had taken two lives and placed a third in doubt.

The victims of Smith's shooting at Bassett were Marvin Lee Whorley, 35, and his infant daughter. Police said Smith may have been angry because his wife, who had lived with the Whorleys recently, had lodged an assault complaint against him.

STAMFORD, Conn. (AP)—The Rt. Rev. Msgr. Francis M. Wladasz, 74, died Sunday moments after he had been vested with the purple robes of a monsignor at the Holy Name Roman Catholic church. He had been a priest for 48 years.

Union To Form Political Unit

PHILADELPHIA (AP)—Teamsters Joint Council 53, claiming to represent 85,000 union members in eastern Pennsylvania, Monday disclosed plans to set up a political unit.

Council President John B. Backhus said the teamsters would raise $42,500 monthly for political activity with a 50 cent assessment on each member. The plan is part of a nationwide political effort being set up by the International Teamsters Union.

Backhus said details would be worked out in September at a meeting of the teamsters international executive board.

Backhus said the national group estimated its political fund needs at about nine million dollars annually.

He added that Council 53 would cooperate in political planning in Pennsylvania with the 40,000-member Council 40 headed by Harry Tevis of Pittsburgh.

DEATHS

By THE ASSOCIATED PRESS

SARATOGA SPRINGS, N.Y. (AP)—James Hazen Hyde, 83, retired insurance company executive who became a self-exiled Parisian and promoter of Franco-American friendship, died Sunday. He was the son of Henry Baldwin Hyde, founder of the Equitable Life Assurance Society, one of the world's largest insurance companies. He was born in New York.

JERUSALEM (AP) — Dr. Isaac Halevy Hertzog, 71, chief rabbi of Israel, died Sunday after a long illness. His son, Jacob, is minister and charge d'affaires at the Israel Embassy in Washington.

STUTTGART, Germany (AP)—Wolf Hirth, 59, internationally known sportsman-industrialist and one of the fathers of the modern gliding sport, was killed Saturday in the crash of a self-built sail plane.

SAN FRANCISCO (AP) — Herbert Millen, 67, Philadelphia municipal judge, the first Negro jurist in Pennsylvania, died Saturday. He suffered a heart attack July 11 while he was vacationing here with his wife.

NEW SWEDISH STAR WILL GET DIETRICH ROLE

By HAL BOYLE

NEW YORK (AP) — A young Swedish girl with Civil War eyes —they're blue-gray, sonny—hopes to springboard to fame in the same role that made Marlene Dietrich an international star.

"I only hope it will do for me what it did for her," said May Britt.

She wasn't even born when Dietrich broke grandpa's heart 30 years ago with a pair of enticing gams and a throaty voice singing "Falling in Love Again." The film: "The Blue Angel."

The same song is retained in the new version of the picture.

New German Title

"It has an even more interesting title in German," said May. "It is called, 'I am from head to foot made for love.'"

This seems like a pretty fair description of May herself. She is vibrantly slim, and her saucy freckled face is half-draped by long hair the color of August wheat.

May made her American debut in a few memorial scenes opposite Marlon Brando in "The Young Lions." But before that she made 11 films in Rome, where she stacked up well against the competition of such native daughters as Sophia Loren and Gina Lollobrigida.

"Startling Beauty"

A girl of startling beauty, she says she doesn't mind sexy roles —at least at this stage of her career.

But May has a strong distaste for bust-and-hip publicity — she doesn't like to give her personal measurements, dislikes being asked to compare European and American men.

"I don't actually know my own weight," she said. "I find it a great bore to speak about weight. Weight is very much an American preoccupation. I am not worried if friends gain or lose a few pounds. I still think the same of them.

"As to what men are most attractive, I married an American. That should settle that."

Hubby Is Student

Her husband, Edwin Gregson, is a student at Stanford University.

May—it's pronounced My—was born Maybritt Wilkens in a suburb of Stockholm. Her father is a Swedish postal employe She had worked as a baby sitter and waitress and was studying photography when Carlos Ponti, an Italian producer, discovered her.

She admires Ingrid Bergman, Greta Garbo, and Dietrich but takes pains not to imitate them.

"I like movement — hustle and bustle—people coming and going. I like to hear the telephone ring, and I love to come home and find a pile of messages waiting for me.

"But I hate to go to parties. Crowds make me shy. Too many people I can't stand around me all at once."

Eventually May hopes to have five or six children, but her career is of top interest now. She disciplines herself strictly.

"I take one drink a year and smoke one cigaret a week," she said. "I have no minor vices.

"What do I like to do? I like to do exactly what I want. You have to be in this business strong-willed."

Deaths

MEXICO CITY (AP)—Narcisso Bassols, 62, noted leftist politician, cabinet minister and diplomat, died Friday of a fractured skull suffered in a fall from a bicycle.

CONNEAUT, Ohio (AP)—Earl C. Hankins, 54, business manager of the Ashtabula (Ohio) Star-Beacon for seven years, was fatally shot Sunday. Police said his wife, Arleta, 49, was arrested and held without charge. They said she admitted the shooting but gave no motive. Hankins, former managing editor of the Conneaut News-Herald, was born in Conneaut.

GRANT FOR AIRPORT

HARRISBURG (AP)—Gov. Lawrence Monday approved a $55,500 grant to the Bradford Aviation Commission for further improvements to the Bradford - McKean County Airport.

The project's total cost will run $206,000. The city of Bradford and McKean County will match the state grant, while the federal government will contribute $95,000. Work will include strenghthening runways and repaving taxiways and passenger loading aprons.

TV DRAMA TO MAKE BID FOR "COMEBACK"

By CHARLES MERCER

NEW YORK (AP) — In the coming season NBC-TV will make a strong bid to help bring mature television drama back to the status it enjoyed in times past.

"In counting heads, we know that general drama usually doesn't have as big a drawing power as Westerns and variety shows," David Levy, vice president in charge of programs, says. "But counting heads isn't the only criterion you should use in judging a network schedule. One needs at least one home-grown and produced drama show because it's a staple of the entertainment world."

Plan "Showcase"

Thus there will come into being on NBC-TV the "Sunday Showcase" of dramatic specials. Scheduled for 8 p.m., it will run against two popular programs on the opposition networks: Ed Sullivan on CBS and "Maverick" on ABC.

"Sunday Showcase" is one of three weekly hours that NBC-TV will devote to a variety of special shows embracing drama, musicals, documentaries. Tuesdays at 9:30 p.m. has been purchased by the Ford Motor Co. for what network executives feel will be an outstanding series of varied entertainment. The third hour, Fridays at 8:30 p.m., will be a nesting place for other specials, dramas and news documentaries.

Ingrid Bergman has been signed to star in a drama on the Ford series. "The Best of Durante" will launch the Friday night spot on Sept. 25, to be followed a week later by the first of a half-dozen Art Carney shows.

Not All Drama

The first "Sunday Showcase" offering on Sept. 20 probably will be an original by S. Lee Pogostin entitled "People Kill People Sometimes."

The Sunday night program will not be confined to drama, however. Two Milton Berle specials are slated for that hour and occasionally a news documentary will be shown.

With a few exceptions, Friday night television programming has long been mediocre to poor. Levy believes that the new show will change the reputation of Friday evenings with many viewers.

Bonneauville

BONNEAUVILLE — Mr. and Mrs. Norman Little, Bonneauville, entertained at a birthday party Sunday in honor of their daughter, Deborah. It was her eighth birthday. Those present were: Susan Neiderer, Janet Neiderer, Margaret Smith, Barbara Smith, Margaret Shanebrook, Faye Weaver, Susan Weaver, Laurena Small, Constance Clabaugh and Judith Little.

Mr. and Mrs. James Golden, St. Petersburg, Fla., are spending some time with Mr. Golden's parents, Mr. and Mrs. Leo Golden.

Mr. and Mrs. Michael Chrismer and family, Washington, D. C., spent the weekend with Mr. Chrismer's mother, Mrs. Evelyn Chrismer.

Miss Audrey Orndorff, Baltimore, spent the weekend with her parents, Mr. and Mrs. Raymond Orndorff.

FARE BOOST PERMANENT

HARRISBURG (AP) — A temporary 15 per cent commuter fare increase by three railroads serving the Philadelphia - Pittsburgh areas was made permanent by the Public Utility Commission Monday.

The railroads involved are the Pennsylvania, the Reading Co., and the Pittsburgh & Lake Erie.

The boost was allowed on a trial basis last year after the railroads agreed to make refunds if the PUC found it excessive. Commuters had been advised to hold ticket stubs in the event the commission voided all or part of the increase.

The PRR, using commuter trains primarily in the Philadelphia and Pittsburgh areas, estimated the increase produces about $500,000 more annually, dropping its deficit slightly to $2,789,000.

Reading Co., serving Philadelphia commuters, said its estimated $360,000 increase reduced the losses about 5 per cent to $1,580,000.

Urges Business To Get Into Politics

PITTSBURGH (AP) — Businessmen sohuld get into politics because government is the biggest stockholder in business, says George I. Bloom, state Republican chairman.

"Don't try to break up an organization, break into it," Bloom told some 150 businessmen at a Pittsburgh Chamber of Commerce meeting Monday.

"As businessmen you should know who is the largest stockholder in business. It is Uncle Sam," said Bloom, adding:

"He takes a 52 per cent bite and the state another six per cent on corporate taxes. Uncle Sam is the controlling stockholder and is the best reason for businessmen to interest themselves in politics."

The day the careful driver got a break

These are the facts on how INA's new automobile insurance policy puts the careful driver in a class by himself. If YOU are a careful driver, **Champion** *will give you quality protection, fast-fair claims service and savings*

We at Indemnity Insurance Company of North America conferred with agents to solve this problem: how to give the careful driver quality insurance *at lower cost.*

We studied the problems from A to Z. We examined the risks, the hazards of the road, accidents, losses, premiums, jury awards, cost of repairs, handling costs and—above all—*the kinds of drivers who cause accidents.*

Then we knew what we could do. And we did it.

We cut red tape and delays . . . streamlined office and accounting procedure . . . simplified the issuing of policies . . . lowered rates across the board.

And the result? **Champion**—the modern new automobile insurance package.

Now careful Pennsylvania drivers have a policy that is designed especially for them. Only careful drivers can qualify for this modern money-saving protection.

ONE CONVENIENT MONEY-SAVING POLICY covering all the essential quality insurance you need: Liability, Medical Payments, Uninsured Motorist, Physical Damage, Full-coverage Comprehensive, $100 deductible Collision, Towing & Labor, Personal Effects.

FAST-FAIR CLAIMS SERVICE through INA's own facilities that blanket Pennsylvania and the nation.

NO DELAYS, NO WAITING On-the-spot delivery of your policy.

NONSTOP PROTECTION Champion stays in force indefinitely.

CONVENIENT 6-MONTH BILLING—no big annual bill.

COMPANY STRENGTH Available only from agents of Pennsylvania's strongest casualty company, INDEMNITY INSURANCE COMPANY OF NORTH AMERICA, serving the nation, and for 30 years rewarding careful drivers.

New automobile policy **Champion** saves you money

PENNSYLVANIA DRIVERS ONLY—If you are a careful driver, give yourself a break. Send this coupon for further information on **Champion**

ARTICHOKES MISSING FROM HORSE'S DIET

NEW YORK (AP) — How can you expect a horse to run without artichokes?

The horse is named Jamin. He is 6 years old and he has eaten artichokes all his life.

They seem to agree with him, too, because, as every sporting Frenchman knows, Jamin is the trotting champion of all France. He came to the United States too run in the $50,000 International Trot at Roosevelt Raceway on Long Island Saturday.

The artichokes — 150 pounds of them—came in on the plane with Jamin last week. They were impounded for inspection by the Department of Agriculture. But when a truck came to pick them up for Jamin, they were missing.

Out Of Season

None can be found here because they're out of season. Jamin has had to live for a whole week on oats and hay.

His trainer-rider, Jean Riaud, gave him a workout Monday. He was gloomy about the results.

"He ees, 'ow you say, sloogish? Not good. No artichokes."

Food for two Italian trotters who came over on the same plane was impounded too, but no one seems to care beans about them.

They eat artichokes too?

Nope. Beans.

HOLD WOMAN IN MATE'S DEATH

CONNEAUT, Ohio (AP)—Arleta Hankins, 49, was in the Ashtabula County jail today awaiting grand jury action in the slaying of her husband, Earl C. Hankins, business manager of the Ashtabula Star-Beacon.

George Kingdom, one of her two attorneys, entered a plea of innocent at her arraignment in municipal court Monday on a second-degree murder charge and waived preliminary hearing. Judge Jack Stolson held her to the grand jury, which meets in September, under $20,000 bond.

Mrs. Hankins sat silent during the arraignment.

Hankins, 54, was killed Sunday night by a bullet fired into his back at close range from a .32-caliber revolver.

Police Chief Jack Sanford said Mrs. Hankins admitted shooting her husband and quoted her as saying, "All I meant to do was scare him."

He also quoted her as saying Hankins had beaten her shortly before the shooting and that they had had frequent quarrels. The couple had been married 28 years.

SUNDAY SALES BILL TO FACE AMENDMENTS IN THE HOUSE

HARRISBURG (AP)—A plan to put teeth into the 165-year-old Sunday sales ban runs an unpredictable gauntlet of amendments in the House today.

"I wouldn't hazard a guess on what that bill will look like after amendments today or whether it will even pass next week," said Rep. Stephen McCann, Democratic floor leader.

Sheaves of amendments from the more than half dozen assemblymen range from strengthening the old Blue Law, now part of the 1939 penal code, to watering it down to the point of virtual repeal.

See Hours Of Debate

The House made the Senate-passed measure a special order of business and assigned up to four hours of debate on the amendments.

As it now stands, the bill would increase from $4 to $100 the fine for doing business on Sunday. Subsequent offenses within a year would be subject to a $200 fine. Some merchants have stayed open on Sunday and paid $4 fines as a cost of doing business.

And, for the first time, the measure spells out specifically what items cannot be sold at retail on Sunday.

List Of Articles

They are clothing, furniture, housewares, furnishings, appliances, hardware, tools, paints, buildings and lumber supplies, jewelry, silverware, watches, clocks, luggage, musical instruments, record and toys but not novelties and souvenirs.

Some of the proposed House amendments would exempt from this list garden tools, antiques, works of art, paintings and gifts.

Other revisions would exempt Jews and Seventh Day Adventists who keep their establishments closed on Saturdays, and the so-called "Ma and Pa" corner groceries owned and operated by married couples.

Radar To Committee

Other legislative developments:

Radar — Lt. Gov. John Morgan Davis, in a surprise move Monday, referred the controversial radar bill to the Senate State Government Committee. It was to have gone to the Highways Committee headed by Sen. George N. Wade (R-Cumberland), a bitter foe of the bill.

Chairman G. Robert Watkins (R-Delaware) said that his state government Committee would be allowed to vote on the bill even though he opposes it. It would give state police—but not local police—the right to use radar evidence in prosecuting speeders.

No Breathing Spell

Taxes — Rep. Stephen McCann, Democratic Floor leader, said the House has no plans to recess during August. The move was suggested by Senate Republicans to give the lawmakers a breathing spell to reach an agreement on taxes.

Mayor Richardson Dilworth of Philadelphia, in a letter to the editor of the Harrisburg Evening News, explained the position of his city's 35-member delegation in the House in withholding votes for a proposed 4 per cent sales tax.

"If our delegation in the House had voted for (it) we would have wound up with Philadelphia paying an even more disproportionate share of the state taxes than it now does, and a short-changed budget, with nearly all of the short-changing at the expense of Philadelphia," Dilworth wrote.

House OK's Council

Allegheny Mass Transit—Chairman George B. Stevenson (R-Clinton) of the Senate Local Government Committee, said pressure is building up to require a local referendum for a proposal to bring public transportation facilities in Allegheny County under a single agency.

Economic council — The House passed, 183-10, an administration plan to set up a 15-member state economic planning council to chart the Commonwealth's industrial and employment future.

Wage Tax Credit — The Senate voted—Republicans for and Democrats against—to cut further into Philadelphia's wage tax revenues.

Study Pay Boost

A persons who works in Philadelphia but lives in another community that imposes a wage tax would pay his local wage tax first. The difference between the local rate and the 1 1-4 per cent imposed by Philadelphia would go to Philadelphia.

Pay Boost—The House and Senate returned to a joint conference committee a disputed plan to give a half-million-dollar pay increase to legislative employes.

At issue is a provision—reportedly opposed by Gov. Lawrence—increasing the legislative payroll by about 170 persons.

Stronger Mining Laws

Mine Report—a special legislative committee recommended a stronger mining laws in a formal report of its six-month investigation of the Knox Mine disaster near Pittston. Twelve miners were lost when the Susquehanna River flooded the mine.

The report named no one in failing to fix responsibility, but the committee turned the huge document over to the State Justice Department and the Luzerne County district attorney for further action.

STUDY SIREN FOR ROCKETS

NEW YORK (AP)—A New York firm has been awarded a government contract to study the possibility of using a siren to speed up rockets of the future.

The National Aeronautics and Space Administration awarded the $85,000 contract to Acoustica Associates.

The problem concerns solid-fuel rockets. At present such rockets contain a mixture of gases trapped in tiny pockets of a rubbery material molded to the inside of the rocket chamber.

When an electric spark touches off the rocket, the gases mix and burn. The siren's sound waves would speed up the mixing of the gases as they seep from the rubbery base.

Thus the higher the power of the siren, the faster the rate of burning and the faster the speed of the rocket.

CAUCUS TODAY

WASHINGTON (AP)—President Eisenhower canvasses with GOP congressional leaders today the prospects of getting some civil rights legislation before Congress quits.

In advance of a White House conference, Senate Republican Leader Everett M. Dirksen of Illinois said in an interview he thinks the chances of action by the Senate are improving.

ADVERTISE IN THE TIMES

Deaths

By THE ASSOCIATED PRESS

NEWFOUNDLAND, N.J. (AP)—Francis M. Cody, 57, an associate professor of marketing at Rutgers University School of Business Administration, died Monday of a heart attack. He had been merchandise counselor and account executive for the New York Journal-American from 1930 to 1937 and held a similar position at the Seattle Post-Intelligencer in 1941-1942. He was born at Marysville, Ohio.

RICHMOND, Va. (AP)—George Cooper, 76, former president of Brown and Williamson Tobacco Corp. and a director of the British-American Tobacco Co., died Monday.

ROANOKE, Va. (AP) — Frederick Charles Hubbard, 84, garden columnist for the Roanoke Times, died Monday. He retired 10 years ago after working as a linotype operator for the Times for 37 years.

BEVERLY, Mass. (AP) — Dr. Clarence S. Bonner, 71, of Hollywood, Calif., superintendent of the Danvers (Mass.) State Hospital for 26 years before retiring in 1953, died Monday. He was born at Lynn, Mass.

DETROIT (AP) — Patrick H. O'Brien, 91, a retired probate judge and former Michigan attorney general, died Monday, 36 hours after the death of his son, D'Arcy W. O'Brien, Michigan state public administrator. O'Brien, long active in Democratic politics, was born in Houghton, Mich.

LA JOLLA, Calif. (AP) — Dr. Flora Rose, 84, pioneer home economics expert, died Sunday of complications resulting from a lung infection. She helped found the College of Home Economics at Cornell University in 1907 and served as its dean until her retirement in 1940. She was born at Denver.

Yankee rookie John Blanchard hit 34 home runs for Binghamton, N. Y., to lead the Eastern League in 1955.

German Nazi leader Hermann Goering was secretly named by his staff officers as "Ruben trop," which means "steal too much."

Would Set Aside Ruling By FCC

WASHINGTON (AP) — The Senate takes up today a bill its sponsors contend is needed to prevent a virtual blackout of radio-TV coverage of the 1960 election campaign.

The measure, approved by the Senate Commerce Committee, would set aside the Federal Communications Commission ruling in the Lar (America First) Daly case.

The FCC ruled that Daly, a third party candidate for mayor of Chicago, was entitled to as much time as the Democratic and Republican candidates received on newscasts.

The networks and individual stations protested in long hearings before the committee that if the ruling stood they might be forced to turn their cameras away from the entire political campaign next year, including the big national conventions.

Gen. Schriver To Be Quizzed Today

WASHINGTON (AP) — The House Space Committee summoned the Air Force's top missile chief today to explain what has gone wrong in efforts to get the Atlas missile in shape for combat use.

Lt. Gen. Bernard A. Schriever, head of the Air Research and Development Command, was called as the first witness.

The committee is inquiring into the recent series of unsuccessful firings of the big intercontinental ballistic missile. It also will look into recent test failures of the Navy's Polaris, an advanced type missile designed to be fired from submerged submarines.

After five successive failures, the Air Force last week successfully launched the first Atlas in five months over the full 5,500-mile Atlantic missile range.

"Satellite Sundae" Wins Texas Prize

FORT WORTH, Tex. (AP)—Lucille Bridges of Brenham, Tex., mixed vanilla ice cream, pecans, whipped cream, cherries and pretzels and set the concoction afire.

Sound terrible?

It must have tasted good, because judges gave the 16-year-old Brenham, Tex., girl the title of "Fountaineer of 59" at the Texas Pharmaceutical Assn. convention Monday.

Her winning entry was called a "Satellite Sundae."
